6. Policy

a. In accordance with AR 30-22, para 3-38, the Installation Commander may determine that it is in the best interest of the Government to authorize Civilians to purchase meals in an APF dining facility on an occasional basis. While the regulation generally defines "occasional" to mean special meals (i.e., Thanksgiving, ethnic heritage meals, etc), we must also consider the provision that covers mission responsibilities and/or lack of MWR facilities. **Therefore, the category of personnel outlined above may only subsist in USAG Humphreys dining facilities during the lunch meal only on the 1st and 3rd Thursday of each month. These dining facilities include Provider Grill Bldg. 1291, Talon Café Bldg. 2097, Spartan Café Bldg. 6321, and Pittman Cafe Bldg. 6702.**

b. The following categories of diners may purchase meals in the DFACs based on written request on an occasional basis, to include support of ethnic or special observance programs, if the utilization rate does not exceed 100 percent. **Request to purchase meals are submitted through the AFSBn-Korea, Food Program Management Office, for Garrison Commander's approval:**

(1) DoD civilians, Retired military personnel, entertainment groups, Civilian dignitaries and military guests are authorized to subsist at the approved meal rates.

(2) For traditional holiday meals, the DFAC employees may invite their Family members on the holiday to join in these meals (Thanksgiving, Christmas, and the Army Birthday).

(3) Members of youth groups sponsored at either the local or the national level may request authorization to subsist in the DFAC at the approved meal rates.

c. Meal Rates:

(1) Dependents of enlisted Soldiers E-1 through E-4 will pay the discount meal rate.

(2) All other personnel will pay the standard rate.

7. Procedures. This policy will be enforced at all times to include weekends and holidays.
