f/HumphreysMWR

AER PCS Assistance

• Initial Rent:

- Initial rent related to a PCS move is a loan: 50% loan/50% grant
- Security deposit assistance can also be requested as a 0% interest loan

• Temporary Lodging:

- AER can provide a 0% interest loan for up to 14 of temporary lodging during a PCS move
- Quick Assist Program eligible*

• Pet Transportation:

- Assistance up to \$5,500 in the form of a 0% interest loan for costs related to shipping pets due to PCS
- Quick Assist Program eligible*

Pet Transportation Assistance

Army Emergency Relief offers zero-interest loans to help the *whole* Family stay together.

WHAT

Pets are a part of the Family and AER recognizes the financial burden pet transportation can cause during a PCS. To help alleviate this, AER created the Pet Transportation Assistance Program.

WHO

- Active Duty and their eligible Family members
- Reserve and National Guard on Active Reserve and Guard tours
- Reserve and National Guard activated with PCS Entitlements

HOW

Pet transportation assistance is processed by your nearest AER Officer or any military aid office. Soldiers can go directly to their AER offices or chains of command.

For more information, visit www.aerhq.org/news/petassistance

Are you an AER Officer? Download the official guide here:

Mission: “Increasing retention and sustaining readiness through leadership and training opportunities, quality of life improvements, community outreach, personal development, and recreation and leisure opportunities. Building the Army’s Leaders of tomorrow, today.”

- ❖ **Quality of Life**-(well being, housing, barracks, PX, commissary, and anything concerning soldiers that can make them comfortable and mission ready)
- ❖ **Community Service**-(volunteer opportunities such as community beautification, and activities that the community can benefit from)
- ❖ **Recreation & Leisure**-(we utilize the CAC events such as fishing trips, hiking, tours and other fun activities) We can also create one leisure activity as our own program.
- ❖ **In addition to the 3 Pillars: Life Skills**-(this is fully funded) This activity(as the name depicts) gives soldiers skills they can use in or outside the military.

UNIVERSITY OF MARYLAND
GLOBAL CAMPUS

LIBS 150

INTRODUCTION TO RESEARCH (I)

Course Description

An introduction to the research process and methods for retrieving information in a library or through online sources. The aim is to identify an information need and locate, evaluate, and use appropriate resources in keeping with academic integrity and ethical standards. Focus is on implementing effective strategies for finding relevant information—including selecting appropriate print and electronic sources and effectively using web search engines and the UMGc Library's electronic resources to find information—and evaluating and correctly citing the information found. Students may not earn credit for LIBS 150 through challenge exam or portfolio credit and may receive credit for only one of the following courses: COMP 111, LIBS 100 or LIBS 150.

TA Term Dates

05/24/2025-06/01/2025

Cooling System Temperature Setting

To minimize mold during rainy season, here are some thermostat settings recommendations.

Maintain a stable temperature: Sudden temperature drops can lead to condensation, which encourages mold growth.

Set your thermostat range between 68-77°F: Higher temperatures can encourage mold growth.

- **Minor Work Order (Demand Maintenance Order, DMO)**
 - Submit DMO On-Line: <https://www.armymaintenance.com>
 - During 0800-1700, Call DPW at 315-722-8417 or 0503-322-8417
 - During 1700-0800, Call AFTER HOURS Call Center at 315-757-0138 or 0503-357-0138
- **Major Work Order (Facilities Engineering Work Request, FEWR)**
 - For large scale tasks that cannot be covered under DMO, over \$6,000, you must submit DA Form 4283, FEWR Form, to DPW work order section.
 - Email FEWR to usarmy.humphreys.imcom-korea.mbx.dpw-workorder@army.mil
 - Call 315-756-6067 or 0503-356-6067

Summer Pet Safety Tips

- Risk for heat injury/heat stroke increases when:
 - Ambient temp is > 80F
 - High humidity
 - Pet is not acclimated to heat/exercise
 - Brachycephalic breeds (Bulldogs, Pugs, Boxers, Persians, etc)
- DO NOT leave pets unattended in a parked car.
- DO NOT leave your pet unsupervised outside on a hot day.
- Assess if pavement is too hot for your pet's paws by placing your hand on the pavement for five seconds.
- Avoid strenuous exercise during hottest times of the day
- Provide access to fresh, cool water frequently
- Provide shade/shelter from direct sunlight.

- Book a direct flight to destination when possible, avoid layovers
- Travel early morning or late evening
- Use a proper size IATA compliant crate.
- Familiarize your pet with the travel carrier prior to travel date
- Ensure pet crate has proper identification
- Inform airline employees when you board that you are traveling with a pet

IF YOU SUSPECT PET HEAT INJURY:

- Signs of heat injury: weakness, vomiting, diarrhea, dull mentation, uncontrollable panting, drooling, stumbling, seizures, collapse
- Move your pet out of direct heat
- Offer fresh, cool water if your pet is alert and willing to drink
- Spray your pet with cool water
- Immediately take your pet to a veterinarian for further care
