Designated Parking Requests

- Units requesting designated parking must follow the steps outlined below:
- Contact the Directorate of Emergency Services (DES) Traffic Section (**DSN: 755-9925 / 9928**).
- DES Traffic Section will only do a parking lot assessment if the requestor is wanting **more than 5%** of the overall parking lot area for designated parking. This will require an Exception To Policy (ETP) that will require the Traffic Section to assess the parking lot overall, along with guidance with the ADA and ABA acts along with **Command Policy #14 (Installation Parking)**.
- If the requested area is under the 5% there is no need for an Exception To Policy (ETP) or assessment.
- Upon completion of the assessment, the DES Traffic Section will show how many handicapped stalls are required if area is not in tolerance. After completion of identification, 5% of the remaining stalls will be calculated and presented as the allowance for designated parking.
- Once complete, DES will then forward the findings and designation recommendations to the Garrison Commander for approval, and upon receipt determination will be made.
- If approved, proceed through Directorate of Public Works to begin the project.

BDAACH Access to Care – Virtual (Phone) Appointments Pt. 1

Virtual (Telephonic) Appointments Available at BDAACH

BDAACH has made accessing care even easier with virtual (phone) appointments! These virtual, over-the-phone appointments are perfect for patients who do not need to see their provider in person. While some medical needs require an in-person visit, many routine appointments can be completed quickly and effectively over the phone, reducing wait times and providing quicker access to care.

Who Can Use Virtual Appointments?

- ✓ Active-Duty Service Members (ADSM)
- ✓ Active-Duty Family Members (ADFM)
- ✓ Empaneled patients with a Primary Care Manager (PCM) at BDAACH

What Virtual Care Options Are Available?

Virtual appointments are suitable for medical needs that do not require a hands-on physical examination such as:

- ✓ Medication renewals
- ✓ Referral requests
- ✓ Simple consultations
- ✓ Follow-up care
- ✓ Lab/X-ray result reviews

U.S. ARMY

Brian D. Allgood Army Community Hospital

BDAACH Access to Care – Virtual (Phone) Appointments Pt. 2

Why Choose a Virtual Appointment?

Virtual care offers several benefits, including:

- ✓ **Faster Access to Care** – Get timely medical advice and triage for necessary in-person visits.
- ✓ **Convenience & Time-Saving** – Avoid travel and long wait times by resolving concerns over the phone.
- ✓ **Improved Access for Patients with Mobility or Transportation Challenges** – Receive care from anywhere.
- ✓ **Comfort of Home** – No need to rearrange schedules or disrupt daily routines.
- ✓ **Reduced Exposure to Illness** – Avoid crowded waiting rooms and potential infections.
- ✓ **Support for Family Responsibilities** – No need to arrange childcare or elder care to visit the clinic.

How to Schedule a Virtual Appointment?

Patients can schedule a virtual (phone) appointment the same way they would a regular appointment. If a virtual appointment is appropriate and available, MTF staff will recommend it during scheduling. **The next time you call to book – ask about virtual (phone) appointments!**

1. **Call the Central Appointment Line** – DSN: 315-737-2273 COMM: 0503-337-2273
2. **Use Secure Messaging to request an appointment** – MHS GENESIS Patient Portal (<https://patientportal.mhsgenesis.health.mil>)

MARFORK

Highlights:

- **Super Bowl Breakfast Party:** On February 10, Marines stationed at Camp Humphreys gathered for a Super Bowl breakfast party, showcasing the camaraderie and spirit of the Marine Corps. The event featured an array of morning foods and beverages, creating an atmosphere that strengthened the bond among Marines and reinforced the core values of brotherhood, loyalty, and esprit de corps. Such gatherings reflected the Marine Corps' commitment to fostering unity, enhancing morale, and celebrating the unique culture of those who served.
- **John and Jane Wayne Day:** In May 2025, MARFORK will conduct a Joint John and Jane Wayne Day (JJWD) aboard Camp Humphreys to familiarize spouses with the roles and duties routinely carried out by their Marines while fostering camaraderie within the U.S. and R.O.K. Marine Corps alliance. This event will highlight the steadfast support provided by Marine spouses, who will have the rare opportunity to witness and actively engage in their loved ones' day-to-day operational activities. JJWD will provide spouses with a unique and exclusive chance to participate in and gain firsthand experience with the tactical training their Marines regularly undertake.
