(*New*) Penalties for Possession of Dangerous Weapons in Public Places

■ Background

The number of random attacks involving knives in public areas has been increasing. However, since existing laws failed to effectively prevent such cases, a new provision was introduced to deter people from carrying weapons in public places.

■ Legal Provision <Starting April 8th, 2025>

Article 116-3 (Possession of Dangerous Weapons in Public Places), Criminal Act

Anyone who, **without a justifiable reason**, possesses a dangerous weapon capable of harming another person's life or body and **causes fear or anxiety** by **exposing it in a public place** shall be subject to:

▶ **Imprisonment for up to 3 years, or a fine of up to 10 million KRW.**

■ Key Notes

- The term **“justifiable reason”** may include situations where individuals need to carry such items for **work-related purposes**, such as cooking, delivery, or construction, or when they are **en route to activities** like camping or fishing. However, **self-defense** may not be regarded as a justifiable reason unless there is clear and reasonable necessity.
- The term **“dangerous weapon”** is not limited to knives. It includes **any object** that could cause physical harm—such as broken bottles, sharp tools, or other improvised weapons. **Whether an object is considered a dangerous weapon will depend on how it is used and the circumstances involved.**

(*Alert*) Vehicle Break-In : Suspects Targeting Unlocked Cars

■ Recent Case

On March 14, 2025, a vehicle break-in occurred in the underground parking lot of EG The 1 Apartment in Asan, where many SOFA members reside. Two suspects broke into several unlocked vehicles — including **seven belonging to SOFA members**.

Thieves often check **unfolded side mirrors** as an indicator that the vehicle **may be unlocked**, since most cars in Korea automatically fold their mirrors when locked.

Always lock your car and make sure the side mirrors are folded when leaving your vehicle.

Patient Family Partnership Council (PFPC) - Apply to be a Council Member! (Part 1)

Have you or a family member received care at an MTF in the last year?
Do you want to provide a voice for patients and improve the quality of care?

We're looking for volunteers to become Patient and Family Council Members! We're interested in Senior and Junior **Active-Duty Service Members, Spouses/Family Members**, as well as **Retirees** and **Civilians**.

WHAT is a PFPC Council Member?

A Council Member is someone who:

- Wants to help improve the quality of care for all patients and family members.
- Gives feedback to the medical staff based on their own experience as a patient or family member.
- Helps plan changes to improve how we take care of patients.
- Provides a voice that represents all patients and families who receive care at MTFs (Military Treatment Facilities).

WHY should you become a PFPC Council Member?

- If you or your family member received care at an MTF, did you think there were things we could have done better?
- Do you have ideas about how to make sure other patients and families get the best care possible?

SPEAK UP!
YOUR VOICE MATTERS

- Talk about both positive and negative care experiences and share your thoughts on what went well and how things could have been done differently.
- Work with people who may be different than you. Listen to and think about what others say, even when you disagree.
- Bring a positive attitude to discussions.
