MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Command Policy #53, Installation Small Unmanned Aircraft System (sUAS)

1. References:

- a. Secretary of the Army Memorandum, Subject: Army Policy for Unmanned Aircraft Systems on Army Installations, 1 August 2017
- b. Title 14, Code of Federal Regulations, Part 107
- c. Army Regulation 95-1, Flight Regulations, 22 March 2018
- d. Army Regulation 95-2, Air Traffic Control, Airfield/Heliport, and Airspace Operations, 31 March 2016
- e. Army Regulation 190-13, The Army Physical Security Program, 27 June 2019
- f. 18 U.S. Code 795, Photographing and Sketching Defense Installations
- g. Procedures for the Operation and Procurement of Unmanned Aircraft System (UAS) to Implement Section 848 of the National Defense Authorization Act for FY2020, 8 September 2021.

2. Purpose: To define garrison policy for the use of sUAS within the established boundaries of the installation, and the associated controlled airspace (enclosure 1). This policy does not address the operation of sUAS in accordance with (IAW) AR 95-1 and AR 95-2. This policy is punitive in nature and violations may result in criminal, civil, or administrative actions.

3. Definition: An sUAS is any aircraft operated without the possibility of direct human intervention from within, or on, the aircraft; sUAS includes the communication links and components that control it. It is further defined by Korean Law as: An unmanned aerial vehicle, unmanned helicopter or unmanned multicopter with a weight of 150 kilograms or less, excluding the weight of fuel.

4. Applicability: This policy applies to all military members, DoD civilian employees, contractors/technical representatives, dependents, sponsored visitors, and employees.

AMIM-HMO (100)

SUBJECT: Command Policy #53, Installation Small Unmanned Aircraft System (sUAS)

5. Situation: This policy is intended to safeguard this installation, its personnel, and the missions of our tenant units and organizations. Unauthorized sUAS activity raises safety and security concerns, including hazards to military aircraft and potential use by adversaries.

6. Policy:

a. Organizational sUAS activities must be sponsored by a government agency or requested for official purposes in support of a government enterprise and will be considered on a case-by-case basis. Coordination is initiated through the Installation Air Traffic & Airspace (AT&A) Officer and requires Garrison Commander approval. Forward requests at least 30 days in advance of the flight date to: usarmy.humphreys.id-pacific.list.dptms-airfield-drone-request@army.mil; Request form and contact information are found at enclosure 2.

(1) All sUAS must be compliant with the Defense Innovation Unit Blue UAS Cleared List. The list can be found at: <https://www.diu.mil/blue-uas-cleared-list>.

(2) Noncompliant sUAS require a waiver from the Secretary of Defense IAW reference (g).

b. Commercial use of sUAS is prohibited.

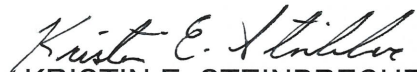

c. Recreational use of sUAS is prohibited. Hobbyists conducting off-installation flight activities shall comply with the host nation Aviation Safety Act and the Protection of Military Bases and Installations Act.

7. The point of contact for this policy is Mr. Dennis S. Stockwell, Director of Plans, Training, Mobilization & Security (DPTMS), USAG-Humphreys at DSN 315-755-2168 or Mr. Kenneth S. Hersey, Chief of Airfield Division, DPTMS at DSN 315-755-1472.
