OLD NEWS

- BOSS discovered the enchanting beauty of Nami Island, with 29 participants and 2 volunteers. Along the trip, fears were overcome as our Soldiers ziplined from the mainland to the island. An exhilarating event to be apart of and many more to come.
- BOSS Executive Council has reached out to a multitude of units providing benefits to Chain of Command and Soldiers throughout the Garrison.
- For Spring Fest BOSS earned $1,300, gaining more to give back to Soldiers, benefiting lives one a day at a time.

- **Areas of Concern:** BOSS Installation Meeting participation has steadily declined, while BOSS Representative Training attendance has increased, showing an almost inverse relationship.

DPW Housing

Senior Leader Quarters (SLQ) Residents,

As **PEAK SEASON** approaches, it is imperative that you take the necessary steps to prepare for your PCS. If you are scheduled to PCS within the next 90 days, please note the following:

• **Schedule Your Pre-Move Out Inspection:** Ensure you schedule your pre-move out inspection with the Housing Office at least **30 days before** your departure. You do not need orders to complete this step.

• **Final Joint Move-Out Inspection:** When scheduling your pre-inspection, you may also arrange your final joint move-out inspection. A copy of your orders will be required for this process, so please provide them as soon as they become available.

• **TLA Authorization:** E7 and above residing in SLQs are authorized three (3) days of TLA. Please plan your flight, move-out inspection, and hotel accommodations accordingly, as extensions will not be granted. NOTE: This does not apply if you are in TDY, Rotational Unit, Reservist

PROXY Memorandum: If you are unable to complete the out-processing procedures for SLQs in a timely manner, you are required to submit a Proxy Memorandum. This memorandum must be signed by your BDE CDR (O6) and should assign a designated individual to properly out-process on your behalf. Be advised that failing the final inspection may result in financial charges to restore the room to standard.

We appreciate your attention to these guidelines and your cooperation in ensuring a smooth PCS process.

Patient Family Partnership Council (PFPC) - Apply to be a Council Member! (Part 1)

Have you or a family member received care at an MTF in the last year?
Do you want to provide a voice for patients and improve the quality of care?

We're looking for volunteers to become Patient and Family Council Members! We're interested in Senior and Junior **Active-Duty Service Members, Spouses/Family Members**, as well as **Retirees** and **Civilians.**

WHAT is a PFPC Council Member?

A Council Member is someone who:

- Wants to help improve the quality of care for all patients and family members.
- Gives feedback to the medical staff based on their own experience as a patient or family member.
- Helps plan changes to improve how we take care of patients.
- Provides a voice that represents all patients and families who receive care at MTFs (Military Treatment Facilities).

WHY should you become a PFPC Council Member?

- If you or your family member received care at an MTF, did you think there were things we could have done better?
- Do you have ideas about how to make sure other patients and families get the best care possible?

SPEAK UP!

YOUR VOICE MATTERS

Ms. Jean Han / jean.s.han.civ@health.mil

Patient Family Partnership Council (PFPC) - Apply to be a Council Member! (Part 2)

Is being a PFPC Council Member right for you?

Being a Council Member may be a good match with your skills and experiences if you can:

- Speak up and share suggestions and potential solutions to help improve hospital care for others.
- Talk about your experiences as a patient or family member – but also think beyond your own personal experiences.
- Talk about both positive and negative care experiences and share your thoughts on what went well and how things could have been done differently.
- Work with people who may be different than you. Listen to and think about what others say, even when you disagree.
- Bring a positive attitude to discussions.
- Keep any information you hear private and confidential.

Council Member Requirements

All Council Members must sign an NDA (Non-Disclosure Agreement)

- Spouses & Family Members: Must complete HIPAA and Privacy Training.
- Active Duty & Red Cross Volunteers: No training requirements

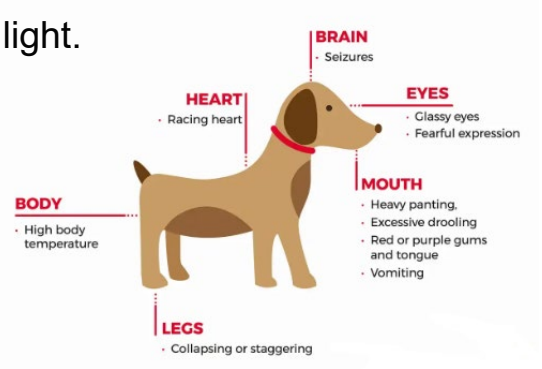
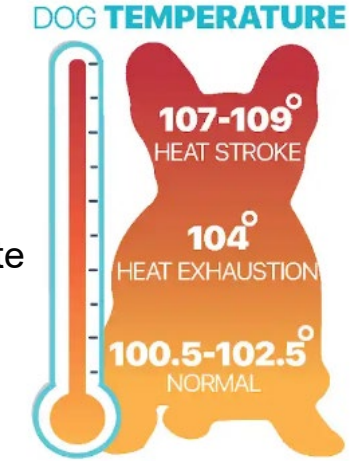
Summer Pet Safety Tips

- Risk for heat injury/heat stroke increases when:
  - Ambient temp is > 80F
  - High humidity
  - Pet is not acclimated to heat/exercise
  - Brachycephalic breeds (Bulldogs, Pugs, Boxers, Persians, etc)
- DO NOT leave pets unattended in a parked car.
- DO NOT leave your pet unsupervised outside on a hot day.
- Assess if pavement is too hot for your pet's paws by placing your hand on the pavement for five seconds.
- Avoid strenuous exercise during hottest times of the day
- Provide access to fresh, cool water frequently
- Provide shade/shelter from direct sunlight.



- Book a direct flight to destination when possible, avoid layovers
- Travel early morning or late evening
- Use a proper size IATA compliant crate.
- Familiarize your pet with the travel carrier prior to travel date
- Ensure pet crate has proper identification
- Inform airline employees when you board that you are traveling with a pet



IF YOU SUSPECT PET HEAT INJURY:

- Signs of heat injury: weakness, vomiting, diarrhea, dull mentation, uncontrollable panting, drooling, stumbling, seizures, collapse
- Move your pet out of direct heat
- Offer fresh, cool water if your pet is alert and willing to drink
- Spray your pet with cool water
- Immediately take your pet to a veterinarian for further care
