3. APPLICABILITY. This policy statement applies to all military and civilian personnel assigned to or under the control of USAG-Humphreys.

4. POLICY.

a. I am committed to creating a work environment free of any form of unlawful harassment where all personnel can perform to their highest potential. Managers and supervisors must remain cognizant of their responsibilities to prevent unacceptable behavior of harassment, and take immediate and appropriate action when such conduct is present. Workplace harassment is a violation of law, and can adversely affect morale, diminish self-esteem, decrease productivity, and interfere with the mission; therefore, it is unacceptable and will not be tolerated.

b. Unlawful harassment includes, but is not limited to, unwelcome conduct, intimidation, ridicule, insult, offensive comments or jokes, or physical conduct based on race, color, religion, sex (including pregnancy), national origin, age (40 and older), disability (mental or physical), genetic information or reprisal when:

(2) The conduct is sufficiently severe or pervasive as to alter the terms, conditions or privileges of an employee's employment, or otherwise create a hostile or abusive work environment.

5. RESPONSIBILITIES.

a. Reporting is everyone's responsibility. Individuals who believe they are subjected to acts of harassment should make it clear that such behavior is unwelcome, and immediately report the incident to the appropriate supervisory channels. Military and civilian managers and supervisors at every level must ensure reported incidents of harassment are investigated immediately and thoroughly, and make certain swift, fair, and effective corrective action is taken, as needed. Report instances of unlawful harassment early in order to achieve timely resolution to the issue.

b. I expect all personnel to support my continuing commitment to ensure that unlawful harassment is eliminated at USAG-H.
