ARMY FAMILY ACTION PLAN AFAP

AFAP is a process that invites members of the Total Army to be **agents of change** by **establishing** and improving programs and services, **developing** and changing policies and regulations, **creating** legislation and amending laws.

"BE AN AGENT OF CHANGE"

THE PROCESS

AFAP provides the Total Army a **VOICE** in shaping their standards of living and identifying issues related to the current environment. Leaders trust and support the AFAP Process – it provides real-time information that enables commanders to respond more rapidly to resolve problems, implement good ideas and guides policy formation.

PROVEN RESULTS

- TRANSFERABILITY OF MONTGOMERY GI BILL (MGB) BENEFITS TO DEPENDENTS
- FAMILY CARE PLAN PROVIDER ACCESS TO INSTALLATIONS
- PATERNITY LEAVE FOR SOLDIERS
- CREATION OF FAMILY READINESS GROUPS, BETTER OPPORTUNITY FOR SINGLE SOLDIER (BOSS) AND ARMY FAMILY TEAM BUILDING (AFTB) PROGRAM.
- AVAILABILITY OF AUTHORIZED TRICARE PROVIDERS
- TRAUMATIC BRAIN INJURY (TBI) REHABILITATION PROGRAM
- IN-STATE COLLEGE TUITION
- AUDIO / VISUAL SURVEILLANCE IN CHILDCARE CENTERS
- FEDERAL EMPLOYMENT MILITARY SPOUSE PREFERENCE

We thank you in advance for your interest in one of the Army's privileged programs in ensuring quality of life for our community and ensuring the Army changes to keep up with the changing times.

IF IT'S A PROGRAM OR SERVICE, AFAP CAN IMPROVE IT.
 IF IT'S A POLICY OR REGULATION, AFAP CAN CHANGE IT.
 IF IT'S A LAW, AFAP CAN AMEND IT.

IMPROVING THE QUALITY OF ARMY LIFE, ONE ISSUE AT A TIME.

As **PEAK SEASON** approaches, it is imperative that you take the necessary steps to prepare for your PCS. If you are scheduled to PCS within the next 90 days, please note the following:

- **Schedule Your Pre-Move Out Inspection:** Ensure you schedule your pre-move out inspection with the Housing Office at least **30 days before** your departure. You do not need orders to complete this step.
- **Final Joint Move-Out Inspection:** When scheduling your pre-inspection, you may also arrange your final joint move-out inspection. A copy of your orders will be required for this process, so please provide them as soon as they become available.
- **TLA Authorization:** E7 and above residing in SLQs are authorized three (3) days of TLA. Please plan your flight, move-out inspection, and hotel accommodations accordingly, as extensions will not be granted. NOTE: This does not apply if you are in TDY, Rotational Unit, Reservist

PROXY Memorandum: If you are unable to complete the out-processing procedures for SLQs in a timely manner, you are required to submit a Proxy Memorandum. This memorandum must be signed by your BDE CDR (O6) and should assign a designated individual to properly out-process on your behalf. Be advised that failing the final inspection may result in financial charges to restore the room to standard.

We appreciate your attention to these guidelines and your cooperation in ensuring a smooth PCS process.

Patient Family Partnership Council (PFPC) - Apply to be a Council Member! (Part 1)

Have you or a family member received care at an MTF in the last year?
Do you want to provide a voice for patients and improve the quality of care?

We're looking for volunteers to become Patient and Family Council Members! We're interested in Senior and Junior **Active-Duty Service Members, Spouses/Family Members**, as well as **Retirees** and **Civilians**.

WHAT is a PFPC Council Member?

A Council Member is someone who:

- Gives feedback to the medical staff based on their own experience as a patient or family member.
- Helps plan changes to improve how we take care of patients.
- Provides a voice that represents all patients and families who receive care at MTFs (Military Treatment Facilities).

WHY should you become a PFPC Council Member?

- If you or your family member received care at an MTF, did you think there were things we could have done better?

PCS Preparation: EFMP Screening

START THE PROCESS AT E-EFMP: The Army's Enterprise Exceptional Family Member Program: <https://efmp.army.mil/EnterpriseEfmp>

KEY FACTS YOU SHOULD KNOW

- A Soldier's EFMP enrollment is considered during the assignment coordination process. If that assignment is to an overseas location and the Soldier requests accompanied travel, then each Family Member requires Family Member Travel Screening (FMTS) before travel, **even if the Family member is already registered in the EFMP.**
- **If Family member is registered** → EFMP screening simply acts as a process to confirm that the special need still exists or provides an opportunity to update the status of the special need if it has changed.
- **If Family member is NOT registered** → EFMP screening process may result in the identification of an Exceptional Family Member (EFM) and enrollment in the EFMP.
- **NOTE:** FMTS must be initiated within **30** days of official assignment notification.
