

# USAG Ansbach Protestant Retreat

68 congregation, include children, was able to make the retreat!

Our Guest Speaker, CH (COL) Lasley, IMCOM-E Command Chaplain, teaches on reconciliation

**Summary:** The USAG Ansbach Protestant congregation took 40 Adults and 28 children on a retreat to Garmisch for 12 sessions of training plus activities. The main theme was “Ambassadors” (2 Cor 5:20) as three chaplains combined to teach, facilitate, and minister. Each day had worship and a devotional and Friday included a hike around Lake Eibsee. New friendships were formed as people learned about representing God in the world. This ministry lines up with the Garrison Commander’s line of effort “Ready and Resilient.”

A couple shared their testimony and offered prayer to participants during the lake hike
