

## Coined at a Distance

Tuesday 21 April Family Life Chaplain, CH (MAJ) Mark McCorkle, presented Chapel volunteer, Mallory Valle, with the Garrison Commander's coin for excellence to recognize her positive impact on the Protestant Women of the Chapel program and the entire Vicenza Military Community (VMC) during the COVID-19 pandemic.

A few people gathered at a safe physical distance in an empty, on-Post parking lot to mark the occasion. No reception followed, but many sent their congratulations through social media. Chapel volunteers like Mallory are religious support mission multipliers bridging the gap between Chapels and community members sheltering in place at home.
