Dr Yeuell teaching on spiritual gifts

Summary: From 18-20 May, 2018, the USAG Ansbach Protestant Women of the Chapel had a retreat held at Edelweiss Lodge and Resort in Garmisch. The theme “Be a vessel” was the focal point of instruction, hands on activities, testimonies, and praise and worship. The weekend included 10 hours of classroom time as well as opportunities to relax or tour the town together. IMCOM-E DRE, Dr. Yeuell, led and taught the group and it was well received by the team. The retreat concluded with CH McCullough leading communion and many of the ladies spending more time together before going home. This retreat lines up with the Garrison Commander’s priorities of readiness, resiliency and stronger families.
