# Bavaria PWOC Rises to the Occasion

**USAG Bavaria Protestant Women of the Chapel (PWOC) Volunteer Leaders continue to offer faith formation and community building amid COVID19 precautionary measures. Nearly twice as many participants are gathering in virtual offerings than have gathered in person prior to the pandemic. PWOC leaders and their ladies demonstrate outstanding creativity and a genuine love for their community. As USAG Bavaria PWOC takes on the COVID19 name “Protestant Women of the Couch” they aren’t really sitting still. Instead they are rising up and reaching out to connect with Army community women isolated in their homes.**
