

## Wiesbaden Youth of the Chapel Bible Studies

On Sunday, 22 January USAG Wiesbaden RSO kicked off a series of winter Bible studies for teens in the newly renovated Youth House on Hainerberg Barracks. The Youth House was renovated by Austin Ellwein, an active member of the youth group, and a team of volunteers as part of his Eagle Scout project. Chaplain (LTC) Matthew Kreider officially welcomed the teens and presided at a ribbon cutting ceremony. Over 23 teens and 12 volunteers participated in the event and remained for the Bible study. Two studies are being offered this winter: *College Ready* and *Christian Living in the Age of Technology*. The studies will continue every Sunday for the coming weeks.
