Festive décor at PWOC's
Spring Kick-Off

Special speaker Julie McCammon
from PWOC Grafenwoehr

- PWOC held their Spring Kick-Off on JAN 26th despite ongoing snowfall and DODEA's virtual schedule.
- 23 participants gathered at Building 5808 for music, fellowship, and an inspiring message that focused on connecting with God during everyday routines, like singing praise songs while filling one's water bottle (pictured).
- PWOC's large group meetings will occur on Tuesdays at 2pm while school meets virtually. (Kids are welcome to attend with their moms.)
