

Stuttgart Vacation Bible School

Summary: The USAG-Stuttgart RSO hosted its annual Vacation Bible School program at Patch Middle School June 25-29 2018. The event had 58 volunteers as well as 140 registered participants. The participants ranged in age from Kindergarten to 5th Grade. The Vacation Bible School theme was “shipwrecked” and that “Jesus Rescues.” The week was filled with fun-filled teaching moments through skits, songs, storytelling, games, and imagination station activities. Lots of hard work went into the decorations to help set the environment of being shipwrecked.
