Photos taken by SPC Rehm

Synopsis of Event: The 39th Signal Battalion UMT hosted a Rome Spiritual Pilgrimage from 20-23 July 2017 for Soldiers and their families.

Impact: The event provided 33 members from the 39th Signal Battalion an opportunity to experience historical and spiritual significance of ancient Rome and Christian faith. On the first day we visited St. Peter's Basilica and the Vatican Museum. The visit was concluded as CH Rinawma provided a devotional message how to be fit spiritually. On the second day we visited the Roman Forum and the Colosseum. Participants were reinvigorated by the beauty of the sight, the richness of the culture, the wealth of historical wonders, and the depth of spiritual significance.
