

Souper Simple Lunch Builds Community

Summary: In December, USAG Italy's Religious Support Office (RSO) hosted its second, monthly Souper Simple Lunch in the newly opened Spiritual Life Center (SLC). The format is easy. Make a large pot of soup. Pair it with some bread and fruit. Invite Military, D.A. Civilian, and Local National employees to drop in for lunch. "Hey! You've got to eat. Right?" The result is a highly diverse group of people getting to know each other and their Chaplains and Religious Affairs Specialists in a relaxed setting that nourishes both body and spirit.
