

USAG Wiesbaden Religious Support

Twenty-two students and seven adults of the USAG-Wiesbaden Youth of the Chapel went on a missions-focused service project to Elim Christian Center in Lwowek Slaski, Poland from 18 to 22 June. They cleaned guest rooms, mowed lawns, did minor maintenance and prepared the centuries-old Elim facilities to host hundreds of youth who will attend Vacation Bible School and summer camp. The Wiesbaden youth also hosted a soccer game and bonfire outreach program for the local kids, many of whom enjoyed S'mores for the first time! The youth also delivered approximately 1,000 pounds of clothes, shoes, and winter coats donated by the Wiesbaden chapel congregations to support the efforts of Elim to provide for the needs of the many impoverished people who live nearby.
