Advent Event Develops Youth Leaders

WHO: 90 members of the Chapel Community

WHAT: Ecumenical Advent Event

WHERE: Ederle Chapel & Fellowship Hall

WHEN: 29 November 2021

Vicenza Military Community members from the Catholic, General Protestant, and Gospel congregations gathered for Advent prayer and a time of fellowship and learning about the Advent season. Chapel children and youth developed religious leadership skills while serving as Readers, Light-Bearers, and Workshop Table Facilitators. Garrison and Unit Chaplains welcomed the community and provided leadership at key points throughout the evening. The event also attracted newer families to the Chapel where they found a lively community preparing to faithfully celebrate Christmas.
