IMCOM-E Normandy Trip

Concept of Operations

IMCOM-Europe coordinated and executed a four day Normandy Spiritual Fitness Challenge from 1-4 September 2018. Half of the funding was provided by DACH through a Program Grant. There were 31 total Army Professionals and Family members who received 10 resiliency classes after visiting sites in Normandy. The following locations in Normandy were visited: Pegasus Bridge, Arromanches, German Battery, Pointe du Hoc, Omaha Beach, Utah Beach, American Cemetery, Church of Angouville, Saint Mere Eglise, and Mont Saint Michel. The feedback from participants exceeded expectations. At the American Cemetery, a Wreath Laying Ceremony was conducted with the National Anthem, firing of the Volleys and TAPS.
