## *'Come See What You Didn't See'*

The Camp Darby RSO hosted 'Come See What You Didn't See' on Saturday, 23 July. This learning event served to demonstrate how faith has influenced art and architecture over the centuries, and how art and architecture influences our faith today. It was a fun time of fellowship and faith formation as we spent time in Pisa seeing the things we hadn't seen before.

***Darby Chapel Community sees Pisa with an eye on faith***
