

Professional Training for Caring Professionals Assisting Survivors of Childhood Trauma

On 16 May 2017 from 0830-1630 the Chaplaincy Academy for Religious Education (CARE) Training Center at IMCOM Europe Religious Support hosted caring professionals from the Chaplain Corps, Family Advocacy, SARC and SHARP offices for “Assisting Survivors of Childhood Trauma” training. This training plus two hours of pre-readings and activities earned participants 1 CEU for professional credentialing. Chaplains, Directors of Religious Education, Program Managers, and Clinicians from Ansbach, Bavaria, Benelux and Italy participated online, generating a Europe-wide, positive impact on the readiness and resilience of our military communities.
