

# Virtual Vacation Bible School

**WHO:** Dr. Lowin and RSO volunteers

**WHAT:** Virtual VBS

**WHEN/WHERE:** 15-19 June on Google Meet

- **SUMMARY:** Dr. Lowin equipped and supervised 15 chapel volunteers to lead V-VBS in pre-recorded content hung on a streaming platform or on their hard-drive. Crew Leaders utilized a group meeting platform to host the event live and sent event link invitation to his/her Crew. The Crew leadership worked to create a virtual learning space that was equitable, relational, and engaging. One Crew leader introduced the pre-recorded material to the children via pre-recorded streaming; one adult leader was the virtual usher; and the teen focused on building relationships and caring for the Crew.

**PURPOSE:** Strengthen our chapel Families for greater trust in Christ and connection within each Family in order to serve the larger community more effectively in Christ-centered ministries
