CONCEPT OF OPERATION

USAG Bavaria Advent Take-Home Guide

The Religious Support Office (RSO) provided take-home Advent materials to over 100 Garmisch and Tower Barracks families to augment their celebration of the Advent season. The provided materials coincided with *The Jesus Storybook Bible* utilized during the virtual Vacation Bible School, making the materials easily accessible and keeping costs low. To create a community atmosphere, the RSO encouraged families to post photographs of their take on the materials. This is another example of flexibility and resilience during this unprecedented time.
