## *Barracks Christian Fellowship (BCF) Retreat*

**Mission:** Build Spiritual Resilience

**Event:** Soldier Retreat

**Date:** 1 – 4 September, 2023

**Target Group:** Single Soldiers

**Leaders:** DA Personnel & Volunteers

**Location:** Garmisch, Germany

From 1 – 4 SEP, BCF joyously provided a multi-day spiritual resiliency retreat for Single Soldier in an effort to build strong and vibrant religious community. During these events, Chaplain (CPT-P) Luke Heibel delivered self-created lessons of faith exploration which increased sequentially in complexity and personal application. During the retreat, a vigorous hike to a spiritually significant location challenged participants to endure and overcome adversity as a community. Support for this event came from community partners as well as Mission and Garrison UMT personnel, funds and leaders.

Putting **PEOPLE FIRST** since 1775.
