Daenner Chapel: Worship Through Art

Mission To learn how to use art as a form of Worship and Expressing Biblical Stories.

Synopsis of Event: 212th Combat Support Hospital (CSH) Unit Ministry Team (UMT); CH (CPT) David Redden ,SGT Aursby along with our resident artist SGT Richmond teamed up with Daenner Chapel Children’s workers to execute another “Worship Thru Art” project from the “Worship Thru Art” Grant.

The project included Christmas Carols, sharing the Story of Jesus coming as Emmanuel by using impressionistic art and then teaching the children how to paint a scene from that story in an impressionistic art form.

End State: The children at the Daenner Chapel heard and learned how to share that experience with others thru Art. There were 31 children, 4 Soldiers, and the Daenner Chapel Children’s staff helping with the service.
