Date: Friday, June 19, 2020 10:33:05 AM

Greetings ACES Team,

Some Basic Notes:

1. FY20 CA close-out for balancing financial statements is 17 Aug 2020.
2. 17 Aug 2020 happens to be the same date as the Army-wide Go-Live deployment of CA in ArmyIgnitED.
3. FY21 CA requests must not have start dates before 7 Oct 2020 since CA is paid on a different schedule than TA and funds may not be available before that date. TA can pretty much roll along but CA cannot.
4. Specific information is detailed in the following as it is important to track a) the unique populations for ArmyIgnitED deployment along with b) the FY20 CA close-out and c) the submission requirements for FY21-funded CA training.

GoArmyEd FY20 Credentialing Assistance Requests:

1. Soldiers may continue to submit CA requests through GoArmyEd for courses or exams that start in FY20 (1 Oct 19 to 30 Sep 20) until 16 Aug 2020; however, Education Centers must still escalate these requests at least 30 business days prior to the start date of the course or exam.
2. FY20 CA requests submitted to GoArmyEd or escalated to ACCESS, ArmyU after 16 Aug 2020 will be rejected.
3. CA requests submitted through GoArmyEd for courses or exams with an FY21 start date (1 Oct 2020 to 30 Sep 21) will be rejected.

3. The same rules apply for FY20 close-out. FY 20 CA requests received after 16 Aug 2020 will be rejected.
4. FY20 CA requests submitted by the select Soldiers listed above prior to their designated Go-Live date or submitted to GoArmyEd will be rejected. In other words, Soldiers must adhere to their scheduled date for submission in ArmyIgnitED.
