Standard Operating Procedures

1. PURPOSE: To outline the policies and procedures that the G3 will use to manage outdoor recreation on Fort Irwin’s training complex.

2. SCOPE: This SOP applies to all Soldiers and family members desiring to use the Fort Irwin’s training complex for recreation purposes.

4. GENERAL: In order to increase Outdoor recreation opportunities for Soldiers and family members assigned to Fort Irwin. Fort Irwin Range Operations will designate 5 recreational areas within the training complex that are suitable for camping and outdoor recreation.(See Annex A)

5. An in-depth Safety brief at range operations, building 6100, will discuss access, wildlife and safety hazards in the training area. The Safety brief is required for all personnel who access the training area. Family members are required to sign a “hold harmless agreement” available at Range Operations prior to accessing the recreation areas.

6. Safety briefs are conducted on Wednesdays at 0900 and 1300 in building 6100. Classes are limited to 6 personnel at a time and on a “first come’ basis.

7. Recreational Vehicle, All-Terrain Vehicle use and hiking is authorized under the following conditions:
   
   A. Area is scheduled for recreational use through Range Operations.
   B. Use of recreational areas are available from 0600-1800 hours daily. All users are required to clear the recreational area before 1800 hours daily.
   C. User are limited to Active Duty/Family member or Retiree ID card holder.
   D. Minimum of one user in each party will have attended the safety brief and possess a Range Safety pass.
   E. User will have current map of assigned area.
   F. User will have current vehicle pass.
