The USAG Vicenza Community is considered a full Joint Federal Travel Regulation (JFTR) weight allowance; military and civilian personnel may be provided temporary furniture support (loaner sets) while their household goods are in transit (in and out bound).

Loaner sets are provided for 90 days in-bound and for 60 days out-bound and may be extended if household goods arrived after 90 days. Loaner items are critical and must be returned on the 91st day by calling the CFMO office M-F, 48 hours prior to the items needing to be picked up. This is to prevent hardship for the quality of life of other incoming/outgoing personnel.

If you need to place a work order for the government furnishings in your government quarters, please get in touch with CFMO at DSN: 314-646-2560/61/63/67 or COMM: +39 0444-712560/61/63/67.
Residents are allowed two delivery and two pick-up appointments without charge.
