MEMORANDUM FOR All United States Army Garrison (USAG) Fort Jackson Personnel

SUBJECT: United States Army Garrison Policy Memorandum # 4 – Commander’s Risk Management and Risk Acceptance Authority

1. References:

- a. Army Regulation 385-10 (The Army Safety and Occupational Health Program)
- b. Department of the Army Pamphlet 385-30 (Risk Management)
- c. Installation Management Command Regulation 385-10 (Safety Program)

2. Maintaining a safe and healthy environment is critical and must be a priority for all Garrison employees. Conducting risk assessments is an essential component of risk management and must be completed by all directorates and staff agencies when involved in military or community events on Fort Jackson. To ensure complete coverage of various events that occur daily, the following have been established as designated risk acceptance authorities:

- a. Extremely High Risk - Commanding General, U.S. Army Training Center, Fort Jackson.
- b. High Risk - Commander, USAG Fort Jackson
- c. Moderate Risk - USAG Directors
- d. Low Risk - Division Chiefs and Support Office Chiefs

3. Once the initial risk decision is made and all control measures are implemented, the DD Form 2977 (Deliberate Risk Assessment Worksheet) will be signed by an individual with the appropriate designated risk acceptance authority, based on the residual risk. Submit completed risk assessments to the USAG Safety Office for review.

4. Proponent: Mr. Joseph E. Colson, Jr, Installation Safety Director at (803)751-2541 or joseph.e.colson.civ@army.mil.
