BASIC SKILLS EDUCATION PROGRAM

Fort Jackson Army Education Center

(803) - 751 - 5341

usarmy.jackson.93-sig-bde-mbx-dhr-jacksonedcenter@army.mil

The Basic Skills Education Program (BSEP) which provides Soldiers with the academic skills necessary to raise their GT score to 110 or higher on the Armed Forces Classification Test (AFCT), improve test taking skills in preparation for the AFCT, and prepare for college.

WHAT IS BSEP?

BSEP is one of four Functional Academic Skills Training (FAST) programs. BSEP provides academic instruction to support Soldier's job-related learning, performance of military duties, career progression, and lifelong learning. BSEP curriculum and instruction develops skills in such areas as reading, mathematics, and language skills.

WHY ENROLL?

- Military Occupation Specialty (MOS) reclassification
- Establish eligibility for commissioning programs
- Increase chances for promotion
- Improve basic skills for college

Installation Safety Office

Motorcycle Safety

- Motorcycle safety starts with proper protective gear. Knowing which helmets are authorized and following the required PPE standards helps Soldiers reduce risk and stay complaint on and off the installation.
- Authorized Helmet Types:
    1. but accepted for the road. DOT-Certified (FMVSS 218)- U.S. Legal minimum, self-certified by manufacturer.
    2. ECE 22.06- European independent testing, modern benchmark, includes rotational-impact
    3. Snell M2025- Voluntary, highest standard with rigorous testing; ideal for track use
- Unauthorized Helmets:
    1. Novelty Helmets lacking DOT/ECE/Snell Certification.
    2. Helmets missing proper certification labels or with counterfeit stickers.

Soldiers' Riding Attire (On & Off Base)

All Soldiers, both on and off installation must wear the following PPE per AR 385-10/ DoDI 6055.04

1. Helmet- DOT/ECE/Snell-certified, fastened securely under the chin
2. Eye Protection- ANSI Z87.1- rated goggles, wraparound glasses, or full-face shield.
3. Foot protection- over the ankle sturdy boots or shoes
4. Clothing- Long-sleeve shirt/jacket, full-length trousers made from abrasion-resistant material
5. Gloves-Full fingered, leather or abrasion-resistant
6. High-visibility gear- reflective garment or fluorescent colors highly encouraged…
