MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Joint Base Myer-Henderson Hall (JBM-HH) Policy Memorandum LG-2, Use of the Appropriated Fund Dining Facility (DFAC)

1. REFERENCES.

- a. AR 30-22, Army Food Program, 19 Aug 19.
- b. DA Pam 30-22, Operating Procedures for the Army Food Program, 17 Jul 19.

2. PURPOSE. To establish policy under which military receiving Basic Allowance for Subsistence (BAS) and civilian personnel who are given approval to dine in Appropriated Fund DFACs, may do so by paying the cashier and reimbursing the Government.

3. APPLICABILITY. This policy applies to all military personnel and Department of Defense (DoD) civilians using Joint Base Myer-Henderson Hall (JBM-HH) Appropriated Fund DFAC.

4. POLICY. Army Appropriated Fund DFACs are established for the purpose of feeding enlisted Servicemembers authorized Subsistence-in-Kind (SIK). Servicemembers not authorized to receive BAS are entitled to subsist without charge. No increase in resources will be made available to subsisting personnel other than SIK. The adequacy of dining facilities' space, equipment, manpower and the potential impact on the quality of assistance to SIK diners; the nature, location, and hours of duty for potential cash customers; and the suitability and availability of non-appropriated fund food service facilities and local civilian feeding establishments have been considered and it has been determined that:

- a. The Joint Base Myer-Henderson Hall DFAC does not exceed a 100 percent utilization rate nor does it meet the 65% utilization rate and is hereby designated as guest and casual dining facility.

- b. Reimbursement is at the DoD Standard Meal Rate.

- c. The discount meal rate will be charged to spouses and other dependents of enlisted personnel in pay grades E-1 through E-4.

5. PROCEDURES.
