Equal Opportunity Office**

Schedule of Events CY '21

Department of Defense (DOD) celebrates eight ethnic observances annually in support of Joint Congressional Resolution, Presidential Proclamation, and achievements of all groups that comprise the society of the United States. Since 1968, the DOD has supported ethnic observances through the development of local programs of recognition and many diverse activities. Activities are designed to enhance cross-cultural awareness and promote harmony among all military members, their families, and the civilian work force. These activities are extensions of the equal opportunity education and training objectives. They are set aside to recognize the achievements and contributions made by members of specific minority groups, women, and individuals with disability in our society. The focus of the observance should be directed towards encouraging interaction and not just recognition.
