## Featured Positions

### Quality Assurance Manager, Maintenance & Repair | West Point, NY

Job Number: ASO01480

The Quality Assurance Manager manages the Quality Assurance project activities and associated functions. Responsible for the development, implementation, coordination, continual improvement, and management of the Quality Assurance (QA) Program and Quality Management System (QMS) IAW ISO 9001.

### Heavy Equipment Mechanic | West Point, NY

Job Number: ASO01460

We are looking for a Mechanic who can diagnose and repair simple and complex issues on heavy equipment, light equipment, automotive equipment, and small engine equipment, as well as perform routine maintenance tasks for our customer's equipment. The successful candidate will use necessary computer diagnostics equipment to assist in diagnosing and develop a cost-effective solution. The ideal applicant will have exceptional knowledge in heavy equipment and diesel engines, ASE Certifications in T-2 Diesel Engines, T-4 Brakes & T-5 Steering and Suspension.

### Part Time Light Driver | West Point, NY

Job Number: ASO01376

The Driver is responsible for the safe operation of light, medium, and heavy (if qualified) GSA and Tactical vehicles. This position is responsible for the safe operation of assigned vehicles to deliver passengers as requested by government customers to destinations annotated on Trip Requests (USMA FORM 1-189) and duties as directed by Management (reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions of this position).

## Competitive Pay | Comprehensive Benefits | Career Growth Opportunities

Akima Support Operations (ASO), provides logistics, facilities maintenance and operations, transportation and support services for mission-critical military installations and civilian agencies around the country. From the homes of U.S. Central Command and U.S. Special Operations Command to the highways of suburban Virginia, ASO experts and professionals work behind the scenes to ensure smooth and continuous operations. Our personnel enjoy competitive benefits packages and challenging roles in work environments committed to safety, diversity and opportunity for career growth. As an Alaska Native Corporation (ANC), 100% of our company's profits go back to our 14,300 Iñupiat shareholders that have resided near and above the Arctic Circle for more than 10,000 years. Our business helps support their way of life and contributes to the survival of a culture that has thrived in a challenging environment.

Need special accommodations to apply? [Contact job-assist@akima.com](mailto:job-assist@akima.com)

ASO is a wholly owned subsidiary of Akima, an Alaska Native Corporation (ANC).
