

JBM-HH virtual town hall April 23

JBM-HH hosts virtual town halls via Facebook once a week, with the next taking place Thursday, April 23. The town hall begins at 1 p.m. and will feature JBM-HH leaders and subject matter experts who will speak about what the installation is doing to mitigate the virus threat on base and among personnel. The 16th President of the National Defense University, Vice Adm. Fritz Roegge will join the JBM-HH team on April 23 as a guest speaker.

All are invited to view the town hall online and questions are welcomed. Individuals may submit questions in advance on the JBM-HH Facebook page in the event discussion or via email to usarmy.jbmhh.asa.list.pao-all@mail.mil. On the day of the virtual town hall, the live feed can be viewed at the Facebook event page <https://www.facebook.com/events/217619109546652>. Individuals do not need a Facebook account to view the town hall. The previous April 2, 9, and 16th town halls can be viewed on the video section of the JBM-HH Facebook page.

United We Stand

Social distancing does not have to be without community. The U.S. Army Band "Pershing's Own" continues to give performances and curate educational events to the American people, following CDC guidance, through the virtual series "United We Stand, Music to Connect Us."

The next scheduled concerts will be Tuesday, April 21 at 2 p.m., Thursday, April 23 at 7 p.m., and Friday, April 24 at 4 p.m.

View the concerts live or after the performance at <https://www.facebook.com/usarmyband>.

May 2 Open House cancelled

The JBM-HH Grant Hall Courtroom Public Open House scheduled for May 2 at Fort McNair is cancelled due to the current mandates for social distancing. As the open houses are held quarterly, plans are to still host the open houses on the first Saturday in August, Aug. 1, and the first Saturday in November, Nov. 7. Information and updates on the upcoming open houses are provided on the JBM-HH Facebook events page. Visit www.facebook.com/jbmhh.

Myer Exchange curbside pickup

The Fort Myer Exchange has four parking spaces designated for curbside pickup. Authorized patrons can place an order online at shopmyexchange.com and select to pick up their purchases in store.

Once the store receives and processes the order the customer will receive a phone call alert that the order is ready for pickup. Customers will be told to come to the store and park in one of the designated spaces for curbside pickup. When parked, the customer will either call or text the phone number on the sign, which is (703) 472-7342 to let the Exchange know which numbered space the vehicle is parked at. Exchange employees will be able to walk to the vehicle and deliver the purchased items.

For more information, please see https://www.facebook.com/pg/MyerExchange/posts/?ref=page_internal.

Myer Exchange extends refund policy

For military shoppers who need to make a return but are hesitant to visit the Fort Myer Exchange during the COVID-19 pandemic, the Army and Air Force Exchange Service is extending its return policy. All purchases made since March 16, are eligible for returns through July 1.

“While extensive preventive measures have been implemented at the Fort Myer Exchange to keep the military community safe, we understand that some shoppers may not feel comfortable going to a public place at this time,” said Exchange General Manager JoAnne Cahalan. “Extending the return window gives military shoppers peace of mind.”

The extended return policy applies only to items purchased in brick-and-mortar Exchanges. Since items ordered online can be mailed back, there is no extended return policy for online orders.

Equal Employment Opportunity training

JBM-HH civilian employees are reminded that EEO Anti-Harassment and No FEAR training is an annual requirement. Employees are allowed duty time to complete the training.

Reminder to wear face coverings

Remember to always have a cloth face covering with you in case you are in a situation where you cannot keep a distance of 6 feet between you and others. Cloth face coverings are required on all military installations, properties and facilities (except residences). Individuals must wear a face covering in the PX, MCX, Commissary and Child Development Center.

Myer Flyer Shuttle suspended

The Myer Flyer Shuttle Route 9, which travels from the Pentagon to JI has been suspended. If this is impacting you, please let the motor pool know. JBM-HH is assessing how many people need this service, so your input is appreciated. Please call the motor pool at (703) 696 - 7009 or (703) 696 - 7136.

JBM-HH continues HPCON Charlie

Joint Base Myer-Henderson Hall is at Health Protection Condition Charlie, which means there is a sustained possibility of community transmission of COVID-19.

“Ensuring the health and safety of our Soldiers, Families and civilians is one of my greatest responsibilities,” said Joint Task Force-National Capital Region and U.S. Army Military District of Washington Commanding General Maj. Gen. Jones. “We will continue to work with individual installations to make certain each post

has capabilities to protect our people and mitigate the spread of the virus.”

As we deal with COVID-19, our priority on JBM-HH remains to protect the force, preserve readiness and mitigate the risk of transmission among personnel.

At JBM-HH, we will continue to monitor the situation with public health officials. Garrison and tenant activities remain focused on delivery of essential services to the community and support to mission essential personnel required for mission assurance and national response efforts.

Depending upon any increase of the threat of transmission in the area, we may take the following actions.

- Further cancellation of in-person gatherings -- all commercial activities such as commissaries, exchange services must keep a distance of 6 feet between customers.
- Further reduction of garrison and tenant services -- we are working to find ways to provide virtual services as much as possible.
- Further modification of commissary, AAFES and CYS hours and services -- we will continue to focus on mitigating the risk of transmission as much as possible.

People should take the following precautions.

- Plan activities for Family members, especially children, in case you are restricted to your home for prolonged periods of time.
 - Prepare for the potential of limited access to supplies and services, including restricted access to military installations.

Joint Base Myer Henderson Hall

COVID-19 Update - April 17

WHY THIS UPDATE NOW?

Secretary of Defense Mark T. Esper requires military personnel, DoD civilians, their Family members, and DoD contractors to wear cloth face coverings on military installations in public settings or where other physical distancing measures are difficult to maintain. On Joint Base Myer Henderson Hall, Col. Kimberly Peebles has determined that there are public areas where people cannot maintain a six-foot social distance. At these locations, the wear of face coverings is expected.

NEW FACE COVERINGS POLICY

To reduce the risk for the JBM-HH community, the wear of face coverings is mandatory in all joint base facilities where a six-foot distance cannot be kept. We must continue to protect ourselves, so that we can protect the force, so the force can protect the nation.

Face covering practices at high traffic areas with a likelihood of breaking the six-foot social distance perimeter, such as at the JBM-HH Child Development Center, AAFES facilities (including the post exchange), Marine Corps exchange and commissary will be enforced. Employees and customers are expected to wear face covers at all times at these locations.

Service providers are expected to issue face coverings to their employees free of cost and also expected to provide complimentary, unused cloth face coverings to patrons who do not have their own, to the maximum extent possible.

FACE COVERING DO'S AND DONT'S

DO:

Make sure you can breathe through it
Wear whenever going out in public
Make sure it covers your nose and mouth
Wash covering with soap and warm water after each use

DON'T:

Use if under two years old
Use surgical masks or other PPE intended for healthcare providers

ALSO: Soldiers are authorized to wear the neck gaiter and other cloth items, such as bandanas and scarves, as face coverings. However, people should not fashion face coverings from Army Combat Uniforms or other materials that have been chemically-treated. Personal protective equipment, such as N95 respirators or surgical masks, must be reserved for use in medical settings.

See the full dining facility menu in the back of this issue!

COVID-19 reporting

guidelines for JBM-HH

personnel

The following are instructions for reporting procedures for employees and Soldiers on Joint Base Myer-Henderson Hall. It is important to immediately notify the JBM-HH Emergency Operations Center and Rader Clinic to report any quarantined and isolated cases across the installation. This will allow JBM-HH to better track and prevent further spread of the COVID-19 virus. Please send the notification to the following email addresses:
usarmy.jbmhh.asa.mbx.dptms-ioc@mail.mil,
niki.l.zimmerman.civ@mail.mil.

If an employee has a history of exposure from a COVID-19 positive individual or travel to a high risk area in the past 14 days AND has no symptoms:

Employee: Call the local health department (this will depend on where you live and not where you work) or your primary care provider and follow the provider instructions. If you are quarantined, stay home and do not leave the house. If you do not live alone, separate yourself from your family (different room, linen, plates) Call your supervisor to let him or her know that you will not be able to come to your workplace for 14 days. Monitor yourself for fever (over 100.4) cough and shortness of breath. If you develop symptoms call your primary care provider and follow his/her instructions. If your symptoms are severe, call 911 and let the operator know about your exposure. If someone drives you to the emergency room, call the facility first and tell them about your exposure. Before returning to work, obtain documentation from your primary care provider stating why you were out of work and that you can safely return to the workplace.

Supervisor: Do not allow the employee to return to the workplace for 14 days after the last time the employee was exposed. A negative test for COVID-19 during this time is not sufficient to return an employee to work. Prior to returning to the workplace, have the employee come to the occupational health clinic with documentation from their primary care provider stating why the employee was out of work and that he/she is healthy enough to return to his/her workplace.

If an employee has a history of exposure from a COVID-19 positive individual or travel to a high risk area in the past 14 days AND has symptoms:

Employee: Call your primary care provider and follow instructions. If symptoms are severe, call 911 and let the operator know about your exposure. If someone drives you to the emergency room, call the facility first and tell them about your exposure. If you are diagnosed by a medical profession with COVID-19 (either with a positive test or because of your symptoms and history), you will be isolated. If you are isolated, stay home and do not leave the house. If you do not live alone, separate yourself from your family. Notify your supervisor that you will be out of work and why. Do not return to work until cleared by your primary care provider. You will need to provide documentation from your treating provider stating that you are safe and healthy enough to return to the workplace. If you are hospitalized, either the hospital staff or your treating provider will determine when you can safely return to work.

Supervisor: Do not allow the employee to return to the workplace until the employee has been cleared to do so by the treating provider. Prior to returning to the workplace, have the employee come to the occupational health clinic with documentation from their primary care provider stating why the employee was out of work and that he/she is healthy enough to return to his/her workplace.

CYS update

Cody CYS Center is open for children of some mission essential parents. The CYS Center is open for children of the following family categories only: single/dual DOD COVID-19 mission essential, and DOD COVID-19 mission essential with a spouse who works in the health care industry or is a first responder (i.e. emergency medical technicians, paramedics, police officers, firefighters). If you submitted a form, but your family is not in one of the above categories, we are unable to provide care at this time. Forms received at the current time will be considered on a case by case basis.

Support firefighters

Firefighters answer the calling to be first responders in matters of life, health, and safety. Let's help them accomplish the mission to protect, support, and defend the JBM-HH community. If you or a loved one is feeling ill, do not visit the JBM-HH firehouses for a medical evaluation. Instead, call your doctor or medical professional right away. Your efforts can help keep our firefighters out of quarantine, working on the front line, keeping our communities safe.

Rader Clinic update
