Section 4. Nothing in this Agreement precludes any employee of the bargaining unit, regardless of Union membership, from bringing matters of personal concern to the attention of appropriate officials under applicable law, rule, regulation, or established Agency policy or from choosing his own representative in a grievance or appellate action except when the grievance is covered under the negotiated procedure contained in this Agreement.

Section 5. The Union shall be given the opportunity to be represented at any examination of a unit employee by a representative of the Employer in connection with an investigation if:

Section 4. It is recognized that this Agreement is not all inclusive, and the fact that certain working conditions have not been specifically covered in the Agreement does not lessen the responsibility of either Party to meet with the other for discussion and exchange of views and/or negotiations in an effort to find mutually satisfactory solutions to matters related to policies, practices, procedures and conditions of employment not covered by this Agreement.

Section 5. Issues regarding negotiability of an item under discussion will be resolved in accordance with applicable provisions of Title V of USC and the rules and regulations of the Federal Labor Relations Authority.

The Parties further agree that Agency mission accomplishment is of primary concern. E. 12 Hour Shifts: A 12-hour shift may be utilized by the Employer in existing areas/directorates such as DES (police officers, security guards and dispatchers) and Bayne Jones Army Community Hospital, to ensure proper work coverage. An employee working a 12-hour shift will be scheduled to work 7 days a pay period for 12-hours per shift. The employee is entitled to a 30 minute lunch period during which time the employee will remain in a paid status and may be called to perform work duties. DES employees may be required to report to work 15 minutes early to draw weapons or conduct shift change duties and/or remain at work 15 minutes late to turn in weapons or conduct shift change duties. The employees will be compensated for this “muster time.”

The Employer will notify the Union in accordance with Article 9 prior to the establishment of additional 12-hour shifts.

F. Core Hours: Core hours for the day shift are 0900-1100 and 1300-1500. Core hours for the swing shift are 1700-1900 and 2100-2300. Core hours for the mid-shift are 0100-0300 and 0500-0700. Employees must be present for duty or in an approved leave status during core hours.

Flex Band Hours for the mid-shift will be 2200-0100, 0300-0500, and 0700-1000. Under an approved FWS program, employees may vary their arrival, departure, and lunch times within these hours.

Section 4. Employees wishing to participate in an AWS must submit a written request to be approved by the Employer. Such written request will be made through the supervisor to the Commander and/or Designee. The Commander and/or Designee will consider approval of the request subject to adverse Agency impact. Within 10 work days of the request, the employee will be provided a response to the request for AWS, in writing, and if denied or modified, the reasons for the denial or modification. If the AWS is granted, the schedule will normally begin at the beginning of the next pay period. Until the response is provided, the employee will continue to work their assigned shift. An employee who is granted AWS may not revert to a regular or different schedule absent a written request to and the receipt of approval from the Commander and/or Designee. Absent exigent circumstances, an employee may submit only 2 requests for a schedule change per year.

Section 5. Employees will be granted a non-paid lunch period of 30-60 minutes every day, during which time the employee is entirely free of the duties of his position, unless precluded by mission related duties, which will be compensated for. The employee's workday starting time and lunch period must be coordinated in advance with the immediate supervisor.

Section 6. Employees will be allowed to take two fifteen (15) minute breaks, one during each half of the administrative workday. These breaks cannot be taken during the first or last hours of workday, and cannot be combined with the lunch period. These fifteen (15) minute breaks may be broken into two (2) or three (3) periods. However smoking breaks will count toward the breaks. Additional smoking breaks are not authorized.

Section 7. The Employer may require employees to revert to a traditional five (5) day, 40 hour workweek, to accommodate events such as employee training or travel.

Section 8. The Employer may require employees to revert to a traditional five (5) day, 40 hour workweek if placed on a Performance Improvement Plan (PIP) or attendance related disciplinary action.

Section 9. When a change in established tours of duty is required, the Employer will normally notify the employee or employees in writing at least five (5) work days in advance. An exception to the advance notice requirement may be made when the Employer determines that it would be seriously handicapped in carrying out its function or that cost would be substantially increased.

Section 10. If more than one person requests the same Regular Day Off (RDO), the tie-breaking determinant will be based on the employee with the oldest Service Computation Date for leave purposes.

Section 11. Wage grade employees will be paid night differential if the majority of hours fall between 3 pm and 8 a.m. General Schedule employees will be paid night differential for hours worked between 6 pm and 6 am.

ARTICLE 21

OVERTIME

Section 1 Overtime work is hours in a pay status in excess of eight (8) hours in a day or forty (40) hours in a workweek as provided for in applicable laws and regulations. For employees using an alternative schedule, overtime is work performed in excess of the number of hours the employee was scheduled to work in a day or hours in a pay status exceeding the eighty (80) hour bi-weekly pay period.

Section 2. In the assignment of scheduled overtime, the Employer agrees to provide the employee at least one (1) day advance notice for readjustment of personal commitments. In cases of unscheduled overtime or emergency overtime, it is recognized that little advance notice will be possible because of unforeseen mission requirements; however, the Employer will notify the employee as soon as the need for overtime is recognized. An employee may be excused from overtime for personal reasons if there is another qualified employee willing to serve in his place.

Section 3. Overtime will be computed in accordance with applicable regulations.

Section 4. The Employer agrees that overtime work will be offered equitably among the employees. Consideration will first be given to those employees who possess the necessary qualifications within the immediate organizational element where the overtime need exists. The Parties recognize that continuity of work and special skills are valid exceptions to the normal rotation on an equitable basis.

Section 5. When it is necessary for employees to return to the work site outside of their scheduled work hours to perform unscheduled overtime work, they shall be paid a minimum of two (2) hours overtime.

Section 6. If an employee refuses overtime for the purposes of this Agreement in determining the equal distribution of overtime, the overtime refused will be counted as overtime worked only for the purpose of distribution of overtime.

Section 7. The Employer will provide the Union, upon request and within a reasonable time, normally five work days, with necessary and pertinent information concerning overtime hours worked to aid in resolving inquiries into overtime distribution alleged by specific employees. New employees will be credited with the same number of hours as the employees of the same grade and title with the highest number of hours in the Department.

Section 8. Before directing overtime, qualified volunteers will be solicited from the immediate organizational element. When volunteers are no longer available, the Employer may direct overtime. When directing employees to work overtime, consideration will first be given to those employees who possess the necessary qualifications within the immediate organizational element where the overtime need exists. A qualified employee with the least amount of overtime worked will be assigned the overtime.

Section 9. Employees who are required to work overtime without prior notice in emergency cases will be allowed a three (3) minute phone call.

Section 10. Employees who are nonexempt under the Fair Labor Standards Act (FLSA) may request to receive compensatory time off in lieu of overtime pay for irregular or occasional overtime worked. Compensatory time will be administered in accordance with 5 CFR §§ 532, 550, and 551 and appropriate regulations.

Section 11. An employee unable to report for duty must notify the immediate supervisor or designee prior to the beginning of the scheduled overtime, but no later than two (2) hours after the start of the overtime, unless precluded by circumstances beyond his control. Employees engaged in health care positions (i.e. those assigned to the Deputy Commander for Clinical Services and Deputy Commander for Nursing, Nutrition Care Division and Dental Clinic Command (DCC)) with direct impact on patient care which affect clinic/ward operations must notify the leave approving official or designee by telephone of the absence as early as practicable but not later than the beginning of the scheduled overtime and obtain approval except where circumstances beyond the control of the employee precludes the contact. Employees engaged in these positions will be provided the name and telephone number of a primary and an alternate contact official for call-in purposes.

ARTICLE 22

ANNUAL LEAVE

Section 1. The employee shall earn and be granted annual leave in accordance with applicable regulations.

Section 2. The Employer agrees to grant annual leave to employees for the purpose of rest, relaxation, recreation, or for other justifiable reasons consistent with workload requirements. Approval of requests for annual leave for unforeseen emergency reasons will be considered as the circumstances warrant.

Section 3. It is agreed that the granting of annual leave will not be restricted to the extent that earned leave is forfeited by an employee. The Employer will advise employees to schedule leave throughout the year consistent with workload requirements to prevent such forfeiture. Any "use or lose" leave must be scheduled and approved prior to the beginning of the third pay period prior to the end of the leave year in order to be eligible for restoration of annual leave.

Section 4: Employees must submit leave requests to the leave approving official by using the OPM Form 71. Management will return the form indicating whether the leave is approved or denied, and if denied the reasons thereof.

Section 5. It is agreed that no employee shall be called back from leave unless an emergency or workload exigency arises and no other qualified employee is available to perform the required duties.

Section 6. An employee unable to report for duty because of a personal emergency must request approved leave by notifying the immediate supervisor or designee prior to the beginning of the regular scheduled work shift, but no later than two (2) hours after the start of the shift, unless precluded by circumstances beyond his control. Employees engaged in health care positions (i.e. those assigned to the Deputy Commander for Clinical Services and Deputy Commander for Nursing, Nutrition Care Division and Dental Clinic Command (DCC)) with direct impact on patient care which affect clinic/ward operations must notify the leave approving official or designee by telephone of the absence as early as practicable but not later than the beginning of the workday and obtain approval except where circumstances beyond the control of the employee precludes the contact. Employees engaged in these positions will be provided the name and telephone number of a primary and an alternate contact official for call-in purposes.

Section 7. All employees may submit projected annual leave schedules (1 to 30 days) for the leave year by the second Tuesday in February. The employee's needs and desires will be considered by the Employer. Seniority will be used when all requests for annual leave cannot be approved. Other annual leave will be on a first come, first served basis.

Section 8. Regular days off immediately preceding and following scheduled vacation periods will be treated as part of the vacation schedule, to permit employees to include those days in their vacation plans.

Section 9. An employee may submit a written request for advanced annual leave up to the amount they would accrue by the end of the current leave year (pay period 26). Before granting advanced annual leave, management will consider such matters as: expectation of employee's return to duty; need for employee services and the benefits to the Agency for retaining the employee, etc.

ARTICLE 23

SICK LEAVE

Section 1. Employees shall earn and be granted sick leave in accordance with applicable regulations and provisions of this Agreement. Sick leave is authorized when properly requested for an employee who is incapacitated for duty because of illness; injury; pregnancy; and resulting confinement as ordered by a physician; medical, dental, or optical examination; or when confined because of exposure to a contagious disease requiring isolation or quarantine.

Section 2. Requests for sick leave will be made in advance of a scheduled appointment for medical, dental or optical treatment. Employees must submit leave requests to the leave approving official by using the OPM Form 71. Management will return the form indicating whether the leave is approved or denied, and if denied the reasons thereof. Other sick leave absence will be reported by contacting the immediate supervisor or designee as soon as possible but not later than two hours after the start of his regularly scheduled work shift unless precluded by circumstances beyond his control. Employees engaged in health care positions (i.e. those assigned to the Deputy Commander for Clinical Services and Deputy Commander for Nursing, Nutrition Care Division and Dental Clinic Command (DCC)) with direct impact on patient care which affect clinic/ward operations must notify the leave approving official or designee by telephone of the absence as early as practicable but not later than the beginning of the workday and obtain approval except where circumstances beyond the control of the employee precludes the contact. Employees engaged in these positions will be provided the name and telephone number of a primary and an alternate contact official for call-in purposes. Unless other arrangements have been made, requests for sick leave must be made on each day of absence.

Section 3. Where sick leave is requested for medical, dental, or optical appointments, the supervisor approving the leave will take into consideration the time of appointment and travel time necessary.

Section 4. The Employer may grant sick leave only when the need for sick leave is supported by administratively acceptable evidence. The Employer may consider an employee's self-certification as to the reason for his absence as administratively acceptable evidence, regardless of the duration of the absence. The Employer may also require a medical certificate or other administratively acceptable evidence as to the reason for an absence for any of the purposes described in Section 1 for an absence in excess of 3 workdays. The Employer may also require a medical certificate for an absence of less than 3 workdays in accordance with 5 C.F.R. § 630.405 (a).

Section 5. When in individual cases there is reason to believe that the sick leave privilege has been abused, a medical certificate may be required to justify the granting of sick leave thereafter. In such cases, the employee will be advised in writing that a medical certificate will be required to support a future grant of sick leave, regardless of duration.

Section 6. The Employer will review the official sick leave record of each employee required to furnish a doctor's certificate at least semi-annually from date of issue to determine whether or not this requirement is necessary. The employee will be notified in writing if the letter of requirement will be withdrawn.

Section 7. The number of hours of sick leave used will not in itself establish abuse; however, it may be a relevant factor in establishing abuse.

Section 8. The employee may request and the Employer may approve advance sick leave not to exceed 240 hours in established deserving cases of serious disability or ailment. Approval of such leave is subject to the following:

- a. The employee furnishes written evidence from a physician or practitioner that the employee is expected to return to duty on a permanent basis;
- b. The employee has exhausted all accumulated sick leave and any annual leave in excess of 240 hours;
- c. There is no evidence indicating the employee will not remain employed after his return to duty long enough to repay the advanced sick leave; and
- d. The employee is not under a written medical certification requirement.

Section 9. Sick leave should be granted when a member of the immediate family of the employee is afflicted with a contagious disease (a disease subject to quarantine or isolation of the patient by health authorities having jurisdiction) which requires the care and attendance of the employee; or when, through exposure to contagious diseases, the presence of the employee at his post of duty would jeopardize the health of others. A contagious disease is that which is ruled as subject to quarantine, requires isolation of the patient, or requires restriction of movement by the patient for a specified period of time.

Section 10. Sick leave records shall be considered personal in nature, and as such, are confidential. Records of sick leave shall be maintained only by those persons properly designated to maintain them.

Section 11. Sick Leave for Adoption will be granted in accordance with 5 C.F.R. § 630.401.

ARTICLE 24

FAMILY LEAVE

Section 1. Statutory Entitlements under the Family and Medical Leave Act (FMLA) of 1993 and the Federal Employee Family Friendly Leave Act (FFLA) of 1994, are set forth in 5 C.F.R. § 630.1201 - 630.1210 and 5 C.F.R. § 630.401 – 630.404.

Section 2. An employee may elect to substitute accrued annual leave for sick leave or LWOP.

Section 3. Job benefits and protection provided under the FMLA include the following:

a. For the duration of FMLA leave, the employee may opt to continue his health benefits enrollment while in LWOP status. If the employee opts to continue this enrollment, the Employer shall continue paying the Employer's share of the group health plan. Employees may pay the employee share of the premiums on a current basis or may incur a debt and pay his share upon return to pay and duty status.

b. Upon return from FMLA leave, employee(s) shall be restored to their positions they held when the leave commenced, or to equivalent positions with equivalent status, pay, benefits and other employment terms.

c. The use of FMLA leave shall not result in the loss of any employment benefits which accrued prior to the start of an employee's leave. The employee may be required to use accrued annual leave over 240 hours.

Section 4. The FFLA authorizes full time employees up to 104 hours of sick leave per year and part time employees an amount of sick leave equal to the number of hours sick leave normally accrued during a leave year to do the following:

a. provide care for a family member who is incapacitated by a medical or mental condition or attend to a family member receiving medical, dental, or optical examination or treatment; or

b. make arrangements necessitated by the death of a family member or attend the funeral of a family member.

Section 5. In order for an employee to participate in the voluntary leave transfer program to care for a family member, he must use all available accrued leave including sick leave before applying to participate in the program.

ARTICLE 25

BONE MARROW OR ORGAN DONATION

In accordance with 5 U.S.C. § 6327, an employee may use up to seven (7) days of paid leave every calendar year to serve as a bone-marrow donor. An employee also may use up to thirty (30) days of paid leave each calendar year to serve as an organ donor. Leave for bone marrow and organ donation is a separate category of leave that is in addition to annual and sick leave. Except in emergency cases, such absences must be requested by the employee in advance of the absence. They must be submitted in writing through the first level supervisor to the Commander, or Designee, for approval. The request must state the nature of the donation and the amount of time requested. Any additional absence must be charged to annual, sick leave, or leave without pay, whichever is applicable. Official documentation from the medical center/provider must be submitted along with the request.

ARTICLE 26

COURT LEAVE

Section 1. In accordance with 5 U.S.C. §§ 6322, 5537, and 5515, an employee is entitled to Court Leave (paid time off without charge to leave for service as a juror or witness). The employee must be attending judicial proceedings as a juror or witness on behalf of any party in connection with any judicial proceeding to which the U.S Government, the District of Columbia, or a state or local government is a party. An employee who is summoned as a witness in an official capacity on behalf of the Federal Government is on official duty, not Court Leave.

Section 2. A copy of the official summons shall be presented to the first level supervisor prior to the beginning of the Court Leave. Documentation from the Court, stating the dates the employee was present for jury duty, shall be presented to the first level supervisor upon completion of service.

Section 3. An employee is responsible for informing his first level supervisor if he is excused from jury or witness service for one (1) day or more or for a substantial part of a day. If an employee is excused from jury duty with sufficient time to enable that employee to return to duty for at least two hours of the scheduled work day (including travel time) the employee shall return to duty unless granted appropriate leave by the Employer.

Section 4. If an employee receives regular pay from the government for a period of Court Leave, the employee will reimburse the government for the amount paid by the court, except that employees may retain reimbursement for out-of-pocket expenses (e.g. mileage, tolls, and parking).

Section 5. When an employee's witness service is not in connection with a judicial proceeding to which a government entity is a party, and that service is not associated with the employee's official capacity, the employee's absence from duty must be charged to annual leave or LWOP, and the employee may accept fees and expenses incidental thereto.

ARTICLE 27

LEAVE WITHOUT PAY

Section 2. Employees have an entitlement to LWOP in the following situations:

- a. The Family and Medical Leave Act of 1993 (FMLA) (Public Law 103-3, February 5, 1993), provides employees with an entitlement to a total of up to 12 weeks of unpaid leave (LWOP) during any 12-month period for certain family and medical needs.

Employees in an approved LWOP status will retain all rights and privileges with respect to retirement status and coverage under the Federal Employees Group Life Insurance and Federal Employees Health Benefits Program, to the extent that they are entitled to such benefits. Employees should be aware that LWOP affects their entitlement to or eligibility for certain Federal benefits. (5 U.S.C. §§ 8332 and 8411; 5 CFR § 890.303(e)).

Section 4. When a liberal leave policy is in effect, and leave is granted, any employee may request LWOP for the absence. LWOP may be approved for employees who request leave for the period of time covered by the liberal leave policy.

Section 5: Any employee granted leave without pay is required to keep the Employer notified of his current address and/or contact information.

Section 2. Employees shall receive the number of hours normally scheduled to work on a day designated a holiday, at their regular hourly rate of pay, on all days defined as holidays that they are not required to work. However, employees will only be paid for the holiday if they are in a paid duty status the work day before or the work day after the holiday.

Section 3. All employees who work on holidays during their regular shift shall receive holiday pay computed in accordance with applicable regulations.

Section 4. Employees assigned to regularly scheduled night work are entitled to night differential pay in accordance with applicable regulations on all days designated as holidays on which they are not required to work.

ARTICLE 29

EXCUSED ABSENCES

Section 1. Employees will be excused to vote in any election or referendum within the community. Employees will be excused from duty so as to permit them to report for work three (3) hours after the polls open or to leave work three (3) hours before the polls close, whichever results in the lesser amount of time off, if any. Employee requests for excused absence for voting will be made not later than five (5) workdays before the election and will be directed to the supervisor so that appropriate plans can be made to reschedule the employee's work.

Section 2. Employees may be granted excused absences for other purposes in accordance with regulations.

Section 3. Supervisors have the authority to excuse up to 1 hour of employee absence from the worksite, but this authority is not to be used for absences that are more properly charged to annual or sick leave or to any compensatory leave which the employee may have to his credit. It is to be used for occasional tardiness or other brief absences from the worksite. If any employee is tardy or otherwise absent during duty hours and provides an acceptable explanation, the supervisor may excuse up to 1 hour without loss of pay or charge to leave.

ARTICLE 30

MEDICAL FLEXIPLACE PROGRAM

Section 1. A Medical Flexiplace program is designed to permit employees who have a temporary medical condition that precludes them from working at the conventional workplace to continue to be productive and accomplish work assignments that can be performed at a place other than the regularly assigned work site. Unless agreed otherwise, representatives of the Union and the Employer will meet within ten (10) work days after receipt of such a list. A representative of the Union and a representative of the Employer will each strike one arbitrator's name from the list of seven (7); they will then repeat this procedure. The remaining name will be the duly selected Arbitrator. A flip of a coin will decide which Party strikes first.
