

BUDDY BENCH PROGRAM

WHAT IS A BUDDY BENCH?

A Buddy Bench is a place to relax and reflect, but also provides a place for both children and adults to sit and talk with someone if they are having an emotionally challenging day (lonely, being bullied, suffering from PTSD, etc.).

TURN THESE

INTO THIS!

What is accepted:

- Kicker box lids/bottoms only

- Email us for a full list!

What is NOT accepted:

- Metal
- Trash
- Paper
- Drink bottles
- Plastic bags
- Cardboard
- Food containers
- Soap/lotion pumps
- KCups
- Email us for a full list!

Benefits:

Keeps #2, #4 & #5 plastics out of the landfill

Fort Knox Environmental Division is partnering with several organizations to collect PLASTIC caps which will assist us in keeping #2, #4 and #5 plastics out of the landfill.

The Fort Knox Environmental Division operates a Pollution Prevention Program (P2) that is necessary to accomplish the goal of reducing, or eliminating, pollutants through Reducing, Reusing and Recycling. This P2 Program saves dollars and our natural resources.

For more information on our P2 Program, please download our Environmental Handbook by scanning here:

Fort Knox Community Resting Areas

Your donations of plastic lids/caps will be turned into benches, picnic tables and more for the Fort Knox Community. Many benches have already been placed at Fort Knox lakes and the Barr Library.

Commitment to encouraging Environmental Awareness and Partnership

This program is a very tangible way to see your recycling efforts at work and a wonderful way to encourage the younger generation to keep recycling.

Working with local community programs to enhance their plastic lid/cap donation drives, is an important aspect of our collection efforts as a community. *TOGETHER*, we can achieve great results!

What do I do with my collection of lids/caps or kicker box tops and bottoms?

Please bring your collection of lids/caps, and/or kicker box tops and bottoms, directly to the Qualified Recycle Center, M-F, between the hours of 0800-1200 and 1230-1500 located at 309 Frazier Road, or call 502-624-5026.
