

DEPARTMENT OF THE ARMY  
UNITED STATES ARMY CADET COMMAND AND FORT KNOX  
1ST CAVALRY REGIMENT ROAD  
FORT KNOX, KY 40121-5123

ATCC-ZA (600)

FEB 04 2021

MEMORANDUM FOR DISTRIBUTION

SUBJECT: General Order Number 1 Relating to Coronavirus (COVID-19)

1. **Applicability:** This General Order applies to all military personnel and Department of the Army Civilians assigned to, performing duty at, or located on Fort Knox, Kentucky. It also applies to Family Members, visitors, and contractor employees at Fort Knox and to ROTC cadre and cadets where indicated. General Order Number 1 dated 21 August 2020 is hereby rescinded.

2. **Statement of Military Purpose and Necessity:** As the Army begins a phased return to normal operations, vigilance is still needed to reduce the risk of COVID-19 transmission. This General Order identifies conduct that is prejudicial to the good order and discipline, health, and safety of all personnel within the Fort Knox area of responsibility and U.S. Army Cadet Command.

- a. HQDA EXORD 210-20 – Coronavirus (COVID-19) Transition Framework
- b. Army Regulation 600-20, Army Command Policy, para. 2-5b, dated 24 July 2020
- c. Uniform Code of Military Justice (UCMJ), 10 U.S.C. §§ 801-946a
- d. EXORD 20-52 (Fort Knox COVID-19 Preparation and Response Operations)
- e. Department of Defense Instruction 6200.03, Public Health Emergency Management (PHEM) Within the DoD, 28 March 2019

4. **Definitions:**

- a. **Quarantine:** The separation of an individual or group that has been exposed to a communicable disease, but is not yet ill, from others who have not been so exposed, in such manner and place to prevent the possible spread of the communicable disease.
- b. **Isolation:** The separation of an individual or group infected or reasonably believed to be infected with a communicable disease, from those who are healthy, in such a place and manner to prevent the spread of the communicable disease.

ATCC-ZA (600)

SUBJECT: General Order Number 1 Relating to Coronavirus (COVID-19)

c. **Person Under Investigation:** An individual who has both consistent signs or symptoms and risk factors of COVID-19 should be considered a Person Under Investigation (PUI). Frequently reported symptoms of COVID-19 include fever, cough, myalgia or fatigue, shortness of breath, and gastrointestinal symptoms such as diarrhea and nausea.

5. Military personnel ordered into quarantine or isolation and military personnel who are PUIs will comply with the orders of the Fort Knox Garrison Commander, their chain of command, and medical personnel, including public health officials.

6. **Quarantine and Isolation Location:** Military personnel ordered into quarantine or isolation will be directed by a Commander or supervisor to quarantine/isolate in either a facility or room under the control or maintenance of the Fort Knox Garrison Commander or into another designated location (e.g., at their barracks, home, or in their quarters).

7. **Prohibited activities and standards for military personnel ordered into a quarantine or isolation facility or room controlled by the Fort Knox Garrison Commander.**

a. All military personnel undergoing quarantine or isolation will remain in their assigned room at all times, unless otherwise directed by lawful authority. Unless approved for residence quarantine by public health officials, the Fort Knox Garrison Commander, or his designee, will assign rooms to all military personnel identified for quarantine or isolation.

b. **Contact with Non-Quarantined and Non-Isolation Personnel.** Military personnel ordered into quarantine or isolation will have no physical contact with other persons, with the exception of medical personnel or, in cases of emergencies, law enforcement personnel, unless otherwise directed by lawful authority. Food, laundry, and other personal services will be coordinated through the Fort Knox Garrison Commander or his designee, with support provided by the quarantined/isolated individual's unit.

c. Quarantined and isolated military personnel will comply with directives of the Fort Knox Garrison Commander, his designees, and medical personnel, including directives concerning the virus monitoring process. Quarantined military personnel will immediately inform medical personnel of any symptoms of the COVID-19 virus.

8. All military personnel directed into quarantine or isolation in a facility or room that is not under the control of the Fort Knox Garrison Commander (e.g., an off-post residence), will comply with the following requirements during quarantine/isolation:

a. Individuals will, where possible, separate themselves from other people in the home/dwelling, avoid sharing personal items, and avoid sharing bedrooms and bathrooms.

ATCC-ZA (600)

SUBJECT: General Order Number 1 Relating to Coronavirus (COVID-19)

b. Individuals will not travel, visit public/crowded areas, or use public transportation.

c. Individuals will comply with all virus monitoring processes directed by their command, supervisor, or medical personnel. Quarantined military personnel will immediately inform their command and medical personnel if they exhibit any potential symptoms of the COVID-19 virus.

d. Individuals will report to their command or directorate any inability to comply with any requirement contained within this order.

9. Department of Defense Education Activity (DoDEA) Schools, Child Development Centers (CDC), "Family Child Care," and "Home-Based Care." Parents, guardians, visitors, students, and children participating in DoDEA schools, CDCs, and DFMWR-regulated "Family Child Care" and "Home-Based Care" are expected to comply with the policies and individual instructions of officials at these activities. Failure to comply may result in the violator's exclusion from the activity as well as possible sanctions from installation authorities, including potential exclusion from the installation.

10. DA civilians, contractor personnel, and other civilians are advised that these directives are being implemented in order to ensure the safety and welfare of the Fort Knox community. Civilians and Family Members will adhere to these directives, the directives issued by unit or activity commanders, and any applicable local, state, and federal orders and guidelines. Failure to comply with instructions of public health and emergency management officials may lead to administrative action or an installation or facility bar order.

11. ROTC cadre and cadets.

a. Except as noted in subparagraph b below, ROTC cadre and cadets will comply with all federal, state, local, and campus laws and policies related to COVID-19 applicable to their duty locations and residences. Cadre will coordinate with their brigades on issues where federal operations may be constrained by state or local orders. Cadets who fail to comply with the directives of the relevant authority face potential administrative action, including probation or disenrollment.

b. Travel to and from Cadet Summer Training takes precedence over any applicable state, local, or campus law or policy.

12. Public Health Expectations.

a. All persons subject to this order will observe published guidance from the Centers for Disease Control available at <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention.html> and posted Health Protection Conditions (HPCON) practices to avoid the spread of COVID-19 including (1) appropriately washing hands

SUBJECT: General Order Number 1 Relating to Coronavirus (COVID-19)

with soap and water for at least 20 seconds or, if soap and water are not available, using an alcohol-based hand sanitizer that contains at least 60 percent alcohol; (2) avoiding touching the eyes, nose, and mouth with unwashed hands; (3) avoiding close contact with those who are sick; (4) cleaning and disinfecting frequently touched objects and surfaces; and (5) covering the mouth and nose with a mask when not able to maintain a separation of six feet; this includes those traveling in a multi-passenger government or personal vehicle.

b. Patrons of all on-post activities will comply with posted HPCON guidance at each individual activity to prevent the spread of COVID-19.

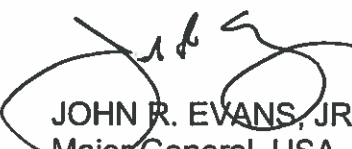

13. Quarantine and Isolation. Individuals subject to this General Order are expected to comply with all federal, state, and local laws, policies, and procedures with respect to quarantine and isolation. Commanders and supervisors will support their military personnel ordered into quarantine or isolation. Support includes assisting both the quarantined/isolated service member and the Fort Knox Garrison Commander, or his designee, in obtaining necessary comfort, food, entertainment, and personal services while the service member remains in quarantine or isolation.

14. Waivers and Amendments. Requests for waivers of any provision of this General Order must be submitted by the endorsing command, through the chain of command to me for decision. Subordinate commanders may impose additional restrictions consistent with this General Order if necessary for good order and discipline. They do not have the authority to unilaterally grant exceptions or exemptions to its provisions without my authority unless such authority is specifically provided herein. Any additional restrictions imposed by a commander will be forwarded to the Installation Operations Center.

15. Punitive Order. The provisions of paragraphs 5, 7.a-c, 8.a-d, and 12.a-b are punitive for military personnel. Military personnel violating or failing to obey this order are subject to appropriate administrative, non-judicial, and/or judicial action under the Uniform Code of Military Justice (UCMJ).

16. Effective Date/Expiration. This order is effective immediately and will remain in effect until rescinded.

17. The point of contact for this Order is the Office of the Staff Judge Advocate, Fort Knox, at (502) 624-1255.
