

FORT KNOX TRAINING SUPPORT CENTER PHOTO CATALOG

FORT KNOX TRAINING SUPPORT CENTER SPECIFIC GUIDELINES/SOP NOTES

1. Must have current account with TSC. DA Form 1687 and Commander's Assumption of Command orders. DA Form 1687 must be digitally or manually signed by all personnel listed on form.
1. Must provide a detail to assist with loading/unloading of equipment. TSC personnel will not load/unload unit vehicles/POVs.
- 3. If 30 minutes late from scheduled pick-up/return/training class-request is canceled and considered a NO-SHOW. Unit must submit new request with new date.**
4. All equipment will be cleaned/dry prior to turn in. TSC facility is not a cleaning facility. Any dirty/wet items brought in will result in kickback and require reschedule. Unit account will be frozen until returned cleaned/dry.
5. Any damaged/missing items will have a memorandum signed by Commander and either a FLIPL or statement of Charges initiated. Unit account will be frozen until FLIPL or Statement of Charges is completed.
6. Certain equipment maybe signed out on a long-term basis.
7. Hours of operation: Mon-Fri 0800-1130 and 1230-1530. Closed on Tuesday and on Federal Holidays.
6. Walk in requests will be honored on a case by case basis. Best policy is to schedule and request equipment ahead of desired date needed. Do not assume if you walk in unscheduled that you will walk out with equipment.
9. Until further notice, units must purchase the MILES batteries. This is due to limited funds.

FORT KNOX TRAINING SUPPORT CENTER GRAPHIC TRAINING AIDS (GTA)

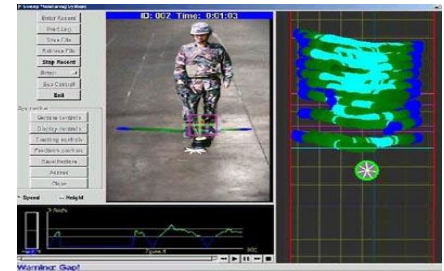

We carry a wide assortment of GTAs for units to sign for and keep. Units should bring a box to carry out the GTAs. If GTA is not in stock, TSC can order for units.

SIMULATOR TRAINING

TSC can provide training to your personnel on all simulators in this catalog.
Maximum number of personnel to be trained for all simulators is eight (8).

Timeline is:

Morning session: 0800-1130---training

1130-1230---lunch

Afternoon session: 1230-1530---training

1530-1600---clean-up

Once trained and certified, unit can sign for simulators, if trained/certified personnel are not on signature card to draw the equipment, they must be present at day of issue to sign safety sheet.

Only trained/certified personnel can operate simulators, they assume all responsibility for safe operation of simulators in unit possession.

Soldiers must bring their gloves, eye and hearing protection.

Certification training is good for only 12 months.

**FORT KNOX TRAINING SUPPORT CENTER
IWS2 INDIVIDUAL MILES
TRAIN THE TRAINER**

TSC offers a three hour instruction on the proper use and operation of the IWS2 MILES.

Training focuses on:

- **IWS2 components and operations**
- **Laser Safety**
- **Small Arms Transmitter(SAT)**
- **Enable/Disable SAT**
- **SAT Alignment.**

In order to sign for IWS2 MILES, unit must have certified personnel, this training meets the requirement.

There will be a brief overview on use of Universal Controller GUN (UCD) and Micro Controller Device (MCD).

Soldiers will be trained on how to align SAT with the Mirror Alignment Jig Kit (MAJIK)

Soldiers must bring helmet to training.

Class size limited to ten personnel

**FORT KNOX TRAINING SUPPORT CENTER
UNIVERSAL CONTROLLER DEVICE (UCD)
TRAINING CLASS**

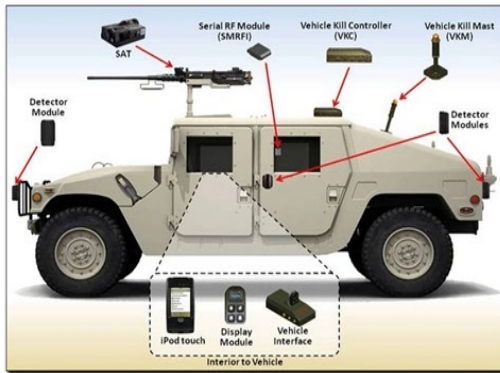

TSC offers a training class on the proper use and operation of the MILES UCD.

Training is oriented toward personnel performing Observer Controller (OC) functions and for use with Individual/Vehicle MILES operations.

Class is limited to ten personnel.
