

# US Army, Fort Knox Installation

# Safety Bulletin

FY 18-12

## ATTENTION

### Martin Luther King Observance

- When attending large celebrations have a plan to meet up with your family if you get separated
- When traveling with your family during the long weekend take time to plan ahead
  - Check the weather prior to leaving
  - Inspect your vehicle for repairs and correct them before you hit the road

Preliminary Loss Report 17025 – Three Soldiers were killed when their vehicle exited the winding 2-lane roadway during inclement weather striking trees and perished when a post-crash fire ensued this same time last year.

- During this time winter weather can cause hazardous road conditions
  - Reduce your speed when snow or ice is possible on the road way
  - Pack an emergency kit and other essential items in case you become stranded

**BE ALERT, STAY ALERT, STAY SAFE!**
