Home My Account Hunting and Fishing Information Hunting Areas Guidelines

The Tier 1 and 2 fall archery and gun deer and turkey permits are now available for purchase. If you cannot see the permits, either or both your ID validation and/or Firearms Registration validation have expired. Please contact the Hunt Control Office via email, or during business hours posted at the bottom of this page, by phone or in person to revalidate your account.

The Civilian (Tier 3) archery deer 4-5 Nov Lottery is now open for application through 8:00 am, 7 August. The procedures for applying are under the Guidelines tab.

The managed lakes were stocked with channel catfish on Wednesday, 28 June.

Fishing, Scouting, Small Game and Wilson Hall Archery Ranger permits are now available for purchase. If you do not see any permits available, your ID validation may have expired and can call us to get that updated. If you see no hunting permits your Firearms Registration Validation may have expired and we will need to see a copy of your most recent one.

MEMORANDUM FOR

Commanders, Fort Knox Partners in Excellence
Commanders, All Units Reporting Directly to the Headquarters
Directors and Chiefs, Staff Offices/Departments, HQ USARMC

SUBJECT: Policy Memorandum 14 - Use of Range and Training Area Complex
Routes for Physical Readiness Activities (Cycling, Running and Ruck Marching)

1. References:

- a. AR 350-1, Army Training and Leader Development
- b. FM 7-22, Holistic Health and Fitness
- c. AR 385-63, Range Safety
- d. DA FPM 385-63, Range Safety
- e. AR 385-10, The Army Safety Program

- f. FK Reg. 385-10, Installation Safety Program
- g. FK Reg. 385-22, Fort Knox Range Regulation

2. Purpose and Goal:

- a. The purpose of this policy is to define requirements for military personnel to conduct physical training - specifically road cycling, endurance running and ruck marching - within the Fort Knox range and training area (RTA) complex and the routes designated for these activities.
- b. My goal is to provide authorized routes to military distance cyclists, runners, and ruck marchers to support overall physical readiness.
- c. Applicability: This policy is applicable to all personnel stationed or assigned at Fort Knox.

Footprint where emergency services are required, 511 911. For accidents occurring within the RTA complex requiring emergency services, contact Range Operations at 502-424-2125 or pick up a range telephone located near the base of the tower on some small arms ranges. Input all accidents into the Army Safety Management Information System 2.0 (ASIMIS2) (<https://asim2.safety.army.mil>). For a mechanical issue or minor injury, contact your organization. Commanders are responsible to notify their command's Safety Office immediately. Personnel incident and injury reports and accountability are the responsibility of the individual's assigned organization.

c. Property Liability: Cyclists, runners, and other authorized users are responsible for the reasonable use of their personal property.

d. Uniform: All riders will wear an approved safety helmet. Cyclists, runners, and other authorized users will wear some sort of high visibility attire.

1. Road Rules: Cyclists will comply with all Kentucky traffic laws and regulations when operating a bicycle on Fort Knox roadways. Cyclists, runners, and other authorized users will adhere to all posted road signs. Runners will run against traffic. Failure to adhere to posted road signs will be cited like a motor vehicle. Cyclist and runners will not deviate from specified routes. Routes are limited to paved roads only - dirt/gravel trails, training areas and ranges are off limits. Military vehicles have priority on RTA routes.
