4. The following policy guidelines and reference chart enclosure, are established:

- a. Children in grades 5 and below.

(1) Require supervision and may not be left "home alone." Such supervision may be provided by their parents, other adults, or in some stances, children who are least in

6th grade. Children in grades 5 and below will not be left unsupervised in on-post privatized housing at any time. Parents are strongly encouraged to ensure the person providing supervision has been trained in infant/child CPR, basic first aid, and proper care-giving techniques. Babysitter Training course is offered by Child & Youth Services, 4H/American Red Cross Training, (502) 624-6703. Youth Sports and Instructional Programs may have more specific requirement, (502) 624-4747.

(2) Children in grades 5 and below will not be left unattended for any period in a vehicle.

b. Sixth grade begins on the first day of school. Supervision of children in grades 6 or above will be based on their maturity. Children need to know where their parent(s)/guardian(s) is/are and how to make contact with them. In addition, children need to know when and how to call the police, ambulance, and other emergency phone numbers. Children need to have access to another responsible adult other than their parent(s)/guardian(s) when needed to ensure the safety and welfare of the child. Children will not be allowed to damage or destroy personal or government property, garden plots, yards, or buildings. Invasions of privacy and acts of vandalism will not be condoned in on-post privatized housing. Children 14 years and under will not be left alone overnight without adult supervision.

c. Post Facilities and Outside Areas. Post facilities (e.g., PX, commissary, library, Etc.) are intended to provide goods and services for a better quality of life for our Soldiers and Families. Post facilities are not intended for places where parent(s)/guardian(s) can leave children unattended and unsupervised for extended periods. Parent(s)/guardian(s) will ensure children use post facilities only for legitimate purposes and conduct themselves in a courteous manner.

d. Bus Stops. Children in pre-kindergarten through 2nd grade may not walk to and from school alone or wait at bus stops without supervision. Children in 3rd grade and above may walk to and from school and wait at bus stops independently. Children in 6th grade through 12th grade may walk others to and from school and bus stops.

e. Parent Responsibilities. The care and supervision of children/youth is a parental responsibility and includes a planned way to provide for the necessities of nourishment, sanitation, and wellbeing of children/youth. Parent(s)/guardian(s) remain responsible for ensuring their children arrive on time and safely at school, particularly if they walk or bike to school. At all times, but especially during the summer months and school intercessions, parents will ensure the health and safety of their children by providing
