

Announcement for Army Housing Residents

As of March 1, 2019, the RCI Energy Conservation Program (RECP) will be suspended until further notice. Residents should not be billed, receive rebate payouts, be charged administrative fees or receive delinquent utility charges.

RCI partners will continue to monitor usage and will provide residents with mock billing statements, i.e., consumption reports, while the Army reviews the current data collection and billing methodology.

Residents with utility billing questions should contact their local housing office for more information.
