

# Fort Leavenworth Easter Sunrise Service

"The Best Hometown in the Army"

WHO: FLVN Community

WHAT: Easter Sunrise Drive-in Service

WHEN: 12 APR 20 at 0700

WHERE: Parking Lot in Front of Frontier Chapel

WHY: COVID-19 Response prohibits customary Easter Sunrise Services. A drive-in service would ensure compliance with all Social Distancing requirements while affording a greater sense of community than a virtual service.

HOW: Advertisement of the Drive-in Service will include instructions for participants to remain in their vehicles. Signs will be placed around Frontier chapel indicating the FM frequency to tune in to their car radios IOT hear the service that is being conducted under the Front Overhang of Frontier Chapel.

Inclement weather plan is not necessary.

Communion Cup and Wafer All-In-One kits will be placed in baggies and handed through car windows prior to the start of the service, so all can participate in Communion together.

\*All 12APR20 Easter Services will take place during their normal Sunday Service hours via FB Live.
