

## CYS April Facebook Live Script

Good Evening! I am Carole Hoffman, the Coordinator for Fort Leavenworth Child & Youth Services. We are happy that your family will be joining our community.

Tonight I will be sharing important information about CYS to ensure you have the tools needed to register in the event you will be using any of our CYS programs. Children must be registered through our Parent Central office, but don't have to wait until you arrive to get started on this process. (SHOW SLIDE 1) Start the process by contacting our local Parent Central office, they will determine the best process to assist you with completing registration based on prior CYS registration at another Army installation, the programs you wish to use, your estimated arrival to Fort Leavenworth.

Our waitlist for full day, summer camp, and before/after school care is managed through [militarychildcare.com](http://militarychildcare.com) (SHOW SLIDE 2). If you haven't already done so please create an account and request the appropriate type of care you need. Childcare spaces are offered following the DoD waitlist priorities. Under our current HPCON conditions we do have limited childcare spaces.

I am excited to announce that our Harrold Youth Center will be open starting June 1<sup>st</sup> for summer camp. Enrollment for summer camp begins Monday, April 19<sup>th</sup> by calling HYC at 913-684-5131.

If you are interested in seeking childcare off the installation please contact ChildCare Aware of America (SHOW SLIDE 3). They manage the Fee Assistance as well as the off post referral program for the Army.

At this time our Hourly Care and Part Day Preschool Programs, are on hold due to current COVID conditions but as soon as it is deemed safe we will be opening these programs. Stay tuned to our CYS Facebook page for updated information on program openings.

Our Youth Sports & Fitness program will be offering baseball, basketball, and soccer camps this summer. Watch our CYS Facebook page for registration information. Registration opens later this month. At this time we are still unsure if we will be offering a Fall sports season. If we are able to offer Fall sports we will be needing volunteer Coaches. Please contact Youth Sports at 913-684-7526 or 7525 if interested in coaching.

Our SKIES program is currently offering dance and private guitar and piano lessons. We are also currently recruiting for a gymnastics instructor and will be offering a variety of gymnastics classes as soon as we have an instructor. Jujitsu will be returning in the future.

As you are preparing for arrival, please do not hesitate to contact our Parent Central Office if you have questions or need clarity. You can reach them by phone at 913-684-5138.

Thank you
