

You Dump It, You Drink It!

Dumping anything on the ground gets into the groundwater, which gets into your drinking water. Keep grease, trash, and other yukky stuff in the right place. We all need to take care of our environment to stay healthy now and in the future.

- Keep trash off the ground, put it in the dumpster
- Keep your “Dumpster Neat, not Nasty!” Keep dumpster lids closed, or close them if you find them open
- Report Illegal Dumping: 253-967-3107 or 253-912-4442
- See a spill or rainbow sheen? Call 911 JBLM
