- Permit Sale Hours: **Mondays thru Fridays from 7:30 am to 10:30 am by phone at (253) 964-2100, by email at trisha.k.lett@usace.army.mil,** or until permits are sold out, whichever comes first.
- Cutting and hauling are generally authorized between **dawn and dusk or as noted on the permit.**
- Special circumstances, such as COVID, fire ban levels and firewood availability, can result in temporary changes to the above-mentioned policies.
- Because firewood availability can change quickly, firewood cutters are strongly encouraged to call the office or the prerecorded line for the most current information before purchasing a permit.
- Although permits are issued to all members of the public, this office **does not sponsor** non-military or non-government individuals onto Joint Base Lewis-McChord. Please contact the Visitor's Center at (253) 966-8139 for current entry procedures and requirements for getting a day pass to cut firewood.
