Our program offers SFRG assistance through training and consultations for all echelons. Our team will assist units in preparing for mission requirements through the development and coordination of deployment briefings and Town Halls. We will also assist Soldiers in navigating Family Care Plan requirements.

TRAINING

Classes are held both virtually and in-person. Please note the service delivery method when registering.

All training can be conducted in unit footprint with prior coordination.

Command Family Readiness Representative (CFRR) *Military*

Learn the roles and responsibilities of being assigned the additional duty of the Command Family Readiness Representative. CFRRs assist the Commander in implementing their Readiness Program.

CARE Team Training

Service member and/or Volunteer

Provides information and guidance for establishing, supporting, and participating in a unit CARE Team. CARE Team volunteers provide support to Families when a traumatic event occurs.

SFRG Volunteer Training (Advisor / Key Contact)

Volunteer

This class provides instruction on the roles and responsibilities of volunteers appointed to assist a Commander in implementing their unit's SFRG.

SFRG Informal Funds Custodian

Service member and/or Volunteer

Provides regulatory guidance and fundraising information necessary to maintain efficient records for an SFRG informal fund

SFRG Training for the Command Team Offered upon request.
