

Protect Stormwater Drains

Only Rain Down the Drain on JBLM

Do not release car washing, carpet cleaning, dog washing, paint, or other contaminated water to JBLM storm drains!

- Wash your vehicle at a MWR auto-craft shop or commercial car washing facility.
- Never dump waste water on the street or down storm drains, ditches, or other drainage pathways.
- If you are an approved mobile source on JBLM, coordinate with DPW for temporary discharge permit to discharge waste water to the sanitary system or take it to an approved disposal location off-site.
- Promptly clean up an waste water that spills or leaks. If waste water reaches a storm drain system, call JBLM Stormwater: 253-967-2837
