Help your child learn the power of empathy at

# PUPPY 101

Join the Family Advocacy Program as they encourage the development of empathy in children through caring for animals.

We will be reading a delightful story about a "Little Critter" who gets a new puppy and his journey to learning about bath, training, and cuddle time! Each family will receive a copy of the book and each child will get their own toy puppy to care for!

**Thursday, Oct. 14**  
**4:00 - 5:00 p.m.**
